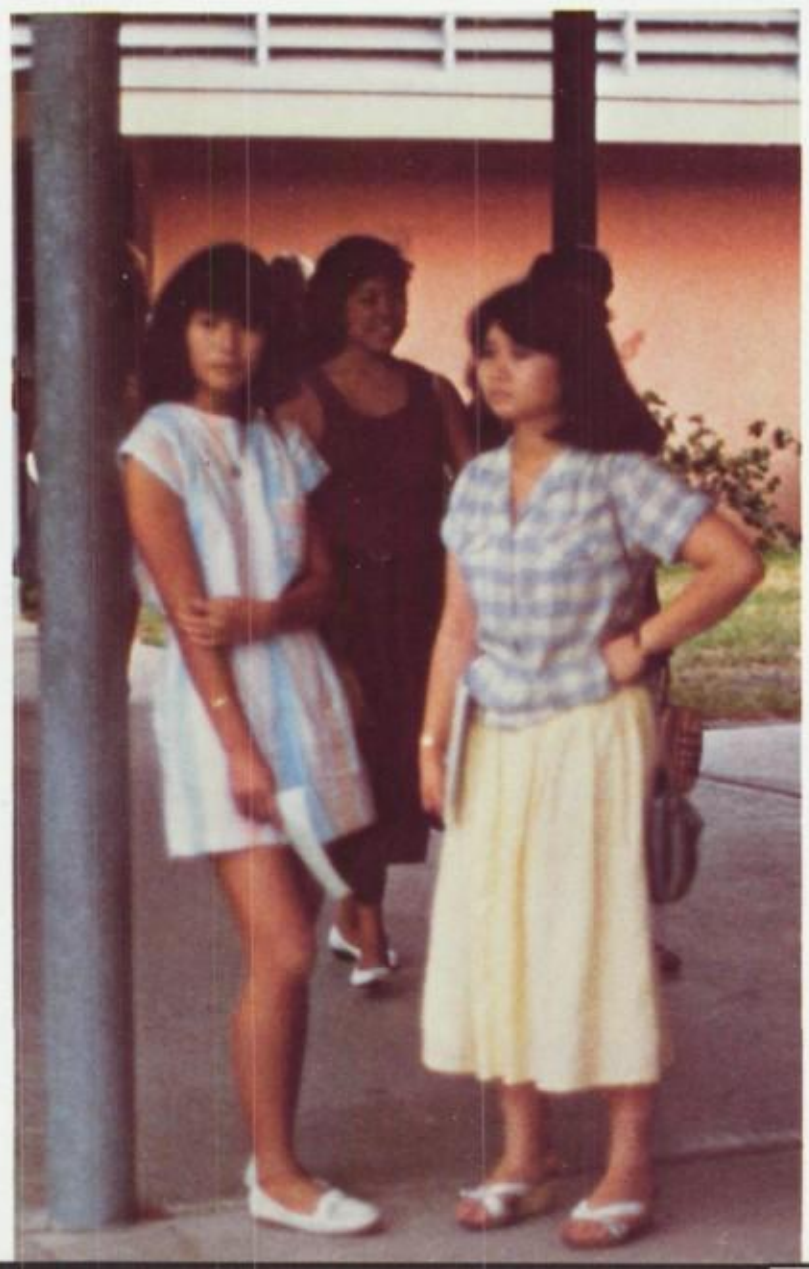
"Hey, have you seen that new girl?"

Josh Higgins says, "Me on candid camera, where?"

Rebecca, Christine, Ellen, and Kim say, "Girls just wanna have fun."



. . . are your friends, your activities, your organizations, and you.

A confusing first day at Mission Bay.

Watch out National Enquirer! You've got competition on the weedpatch.

Chad Taylor and friends caught in the act of actually eating the food.

Your typical first day classroom attitudes.

Showing excellence to the world through pride, class, and dignity.

Sophomores socialize on the weedpatch at lunch.

Heather,

So another year has gone by. 10th was pretty fun. Hope to see you over the summer

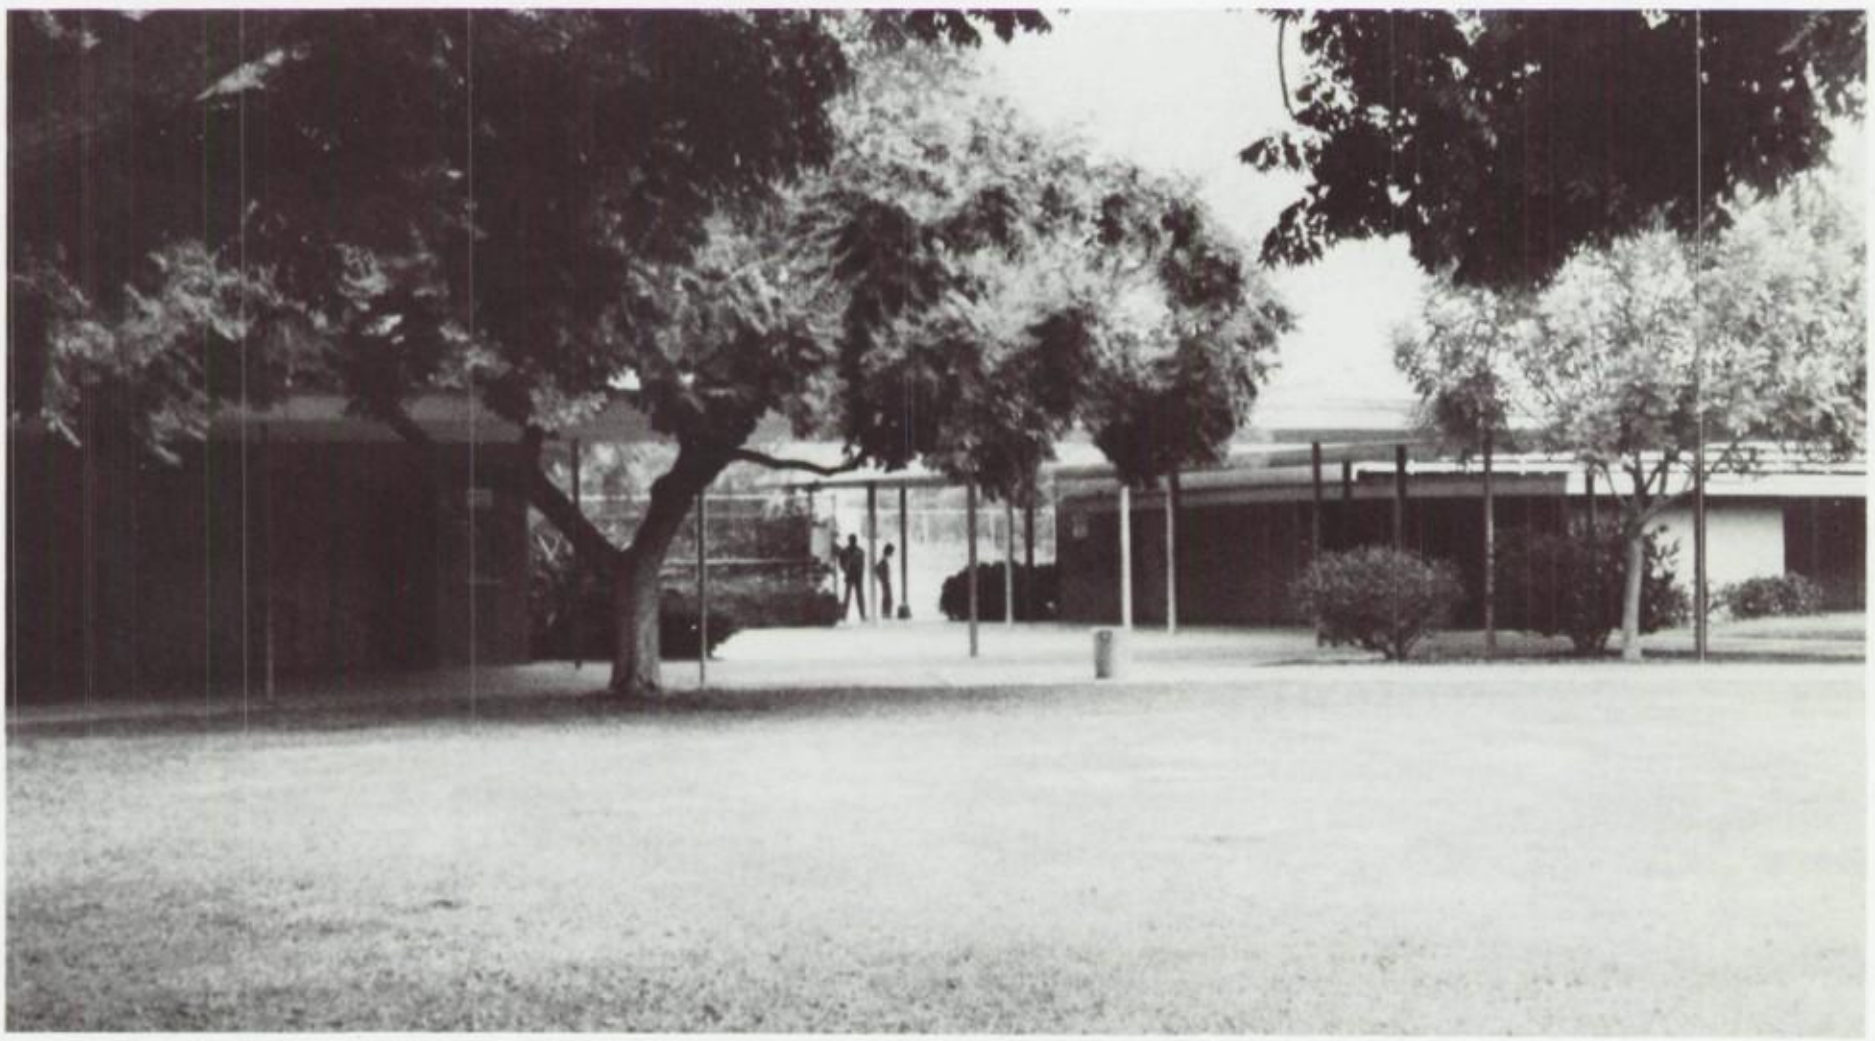
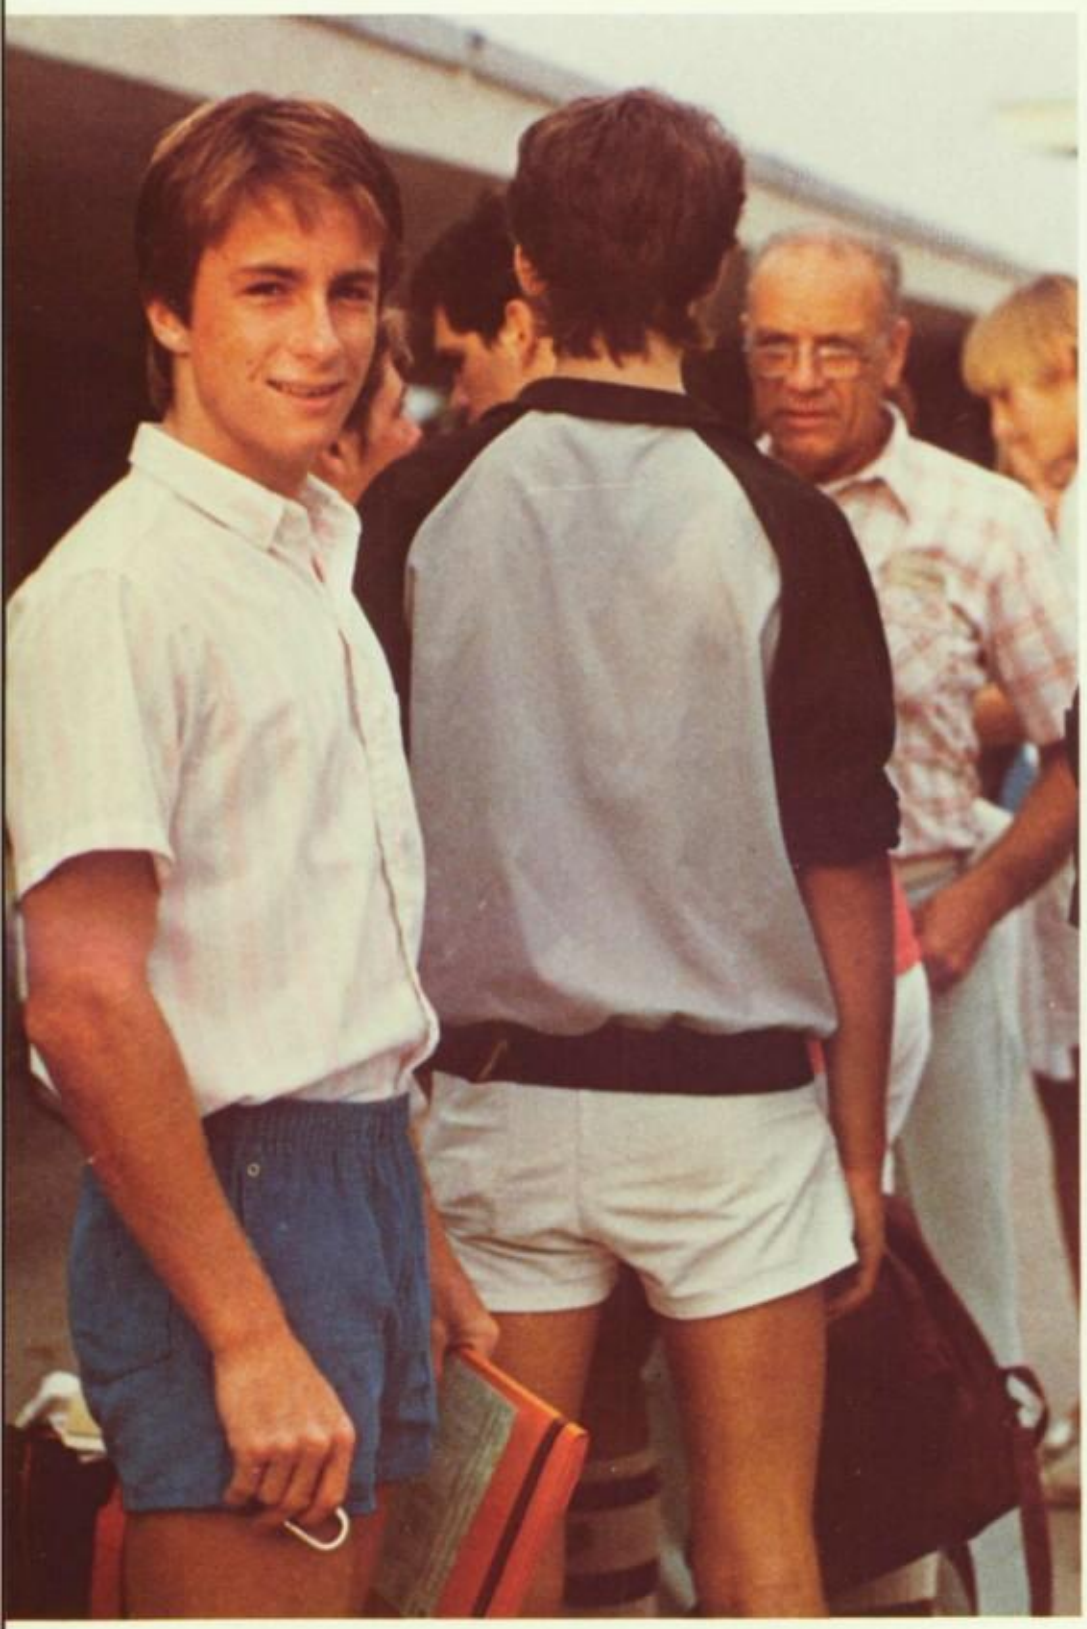
Going first class; leading the way; that is our key to unity.



It's hard to believe that so many people can fit on the weedpatch.

"Ever notice that the food gets worse every year?"



"Why Me!" exclaims Senior David Browne.

Striving to be superior with the help of first rate friends; surpassing expectations, we're tying all loose ends.

No matter which path is taken, no matter which task is done, our goals will remain the same, to go first class; be number one.

Clubs and Activities

Lisa Miller setting trends on campus.

Buc Kick Off Promotes Pride

The Buc Kick Off game showed that Mission Bay High School had abundant Buc Pride. Even though Crawford defeated our Bucs with the final score of 33 to 0, the multitude of people still joined in with the crowd response cheers to show their support. The delicious "All You Can Eat" dinner turned out to be an enormous success. The "All You Can Eat" dinner gave students, teachers and parents the chance to get acquainted with one another. The dance that followed attracted one of the largest Mission Bay student crowds. Music As You Like It played the songs that the Mission Bay students requested throughout the dance. All of these activities gave Mission Bay one more reason for Black and Gold pride.

Club members raise money during the game by selling baked goods.

Some sophomores take a break from dancing.

Four dance goers cool off in the wrestling room.

Teachers and parents enjoy being served by students.

A Week of Life-Giving Force

Spirit week this year proved itself a great success. During the week of the countdown, the students all participated in daily events and thoroughly enjoyed the week. The week ended with the rally, and the homecoming game and dance.

A pie eating contest began the week with Richie Shaw and Lance Larson winning for the Seniors.

John Kellogg, a junior, wears his sombrero with spirit.

Students dressed "loud" in different fashions for Clash Day.

Steve Smerdon pumps with power for the Seniors in the tricycle race.

A spirit cake feast for everyone who wore black & gold followed Friday's rally.

The Buc Homecoming Game

Barry Lastinger drops in to bring roses to the queen.

Everyone had great expectations for this year's homecoming game. Although it ended in despair, the Bucs fought to the bitter end.

The Buc offense, led by Richie Shaw, Kevin Alexander, Lance Larson, and Kyle Ketchum, failed to score in this tough match-up, but they had some outstanding plays.

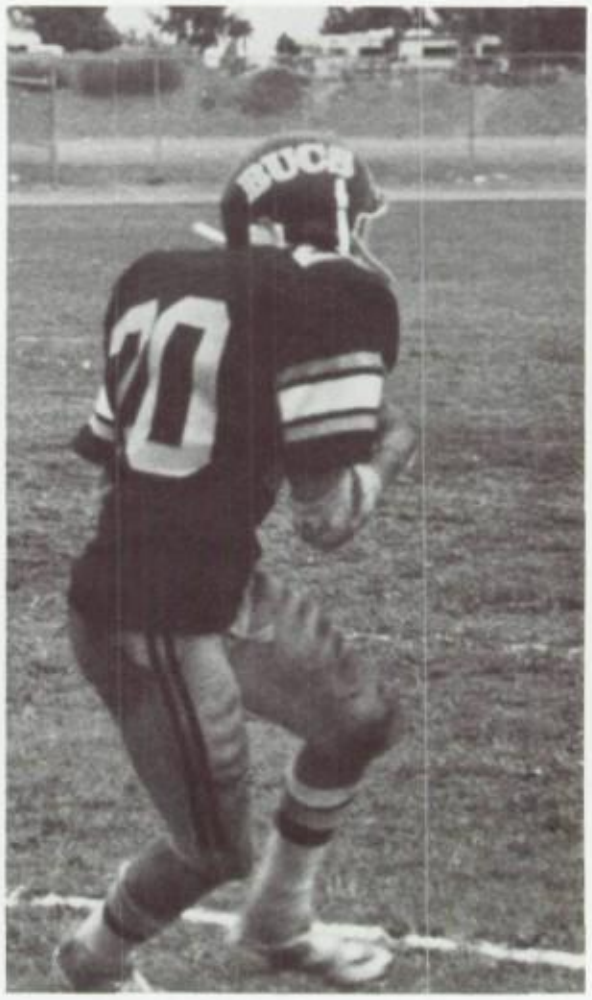
The Buc defense, led by Ken Krause, Steve McEnroe and the really fantastic player Dan Millhouse, played a great game. When the final second ticked off the clock, the Komets had won the game with a score of Bucs 0, Komets 35.

In the float competition the Seniors were victorious again with a float theme of "The Wizard of OZ." The Sophomores came in second with the float theme of "Snow White and the Seven Dwarfs," while the Juniors came in third with the float theme of "Alice in Wonderland."

Holly Kayuha, Dawna Johnson, Lisa McKenna, John Rasimas, Mike Degn, Kim Yunker, Lori Dans, Marie Miner and Diane Forsythe finish a cheer for the Bucs.

Buccaneer fans show their support.

Kevin Alexander makes an outstanding play.



Coach Matson advises Richie Shaw.

Mary Story, Heather Knowles, Marie Miner, and Julie Towt cheer on the Bucs.

A Dream For The Queen

Oct. 19th was Mission Bay's 29th Homecoming. The AFS Attendant was Carol Cappeliez, (not shown). The other attendants were Heather Stearns, Christy Drage, Lisa Nicks, Robin Watson, and Minna Lollis. The traditionally long sign was rolled out to reveal Minna as the queen. Minna said, "I was so surprised." She would also like to thank all those who voted for her. Congrats!

Oh the thrill of being a Homecoming Queen!!!!!

It Was a Fairytale Romance

For Those at the Dance

Mission Bay High School students thoroughly enjoyed themselves at the homecoming dance on October 19. The evening began for many couples with a nice dinner, and by the time the dance got under way at 8:30, a great deal of people had already arrived. The fairytale theme was uniquely carried out by the decorations in the gym. Alumni and current students danced to the sounds of the Features who played our favorite songs. Numerous parents donated their time to act as chaperones. As the night came to a close, everybody had enough memories to last until the next dance.

YEARBOOK GOES FIRST CLASS

Wade Mains and Wesley Odom choose pictures from a contact sheet.

This year's yearbook staff went first class under the supervision of our chief editor Jennifer Reighley and our assistant editor Cheryl Nolan. In no time at all, the newcomers to the staff (practically the whole crew) got down to business and began immediately on their projects. For the first part of the year, the staff learned how to make layouts and how to organize their photos and copies. Once the staff understood the basics, the action never stopped and there was never a dull day throughout the whole year. This year's staff learned the tricks of the trade very fast and showed professionalism and dedication that Mission Bay High School has never seen before.

M.B.H.S. has had an active American Field Service (AFS) Club for the past 27 years. AFS is an international organization to expand their views of the world sponsoring students to live in different countries. Foreign students are placed with families with similar interests. To sponsor their activities the club sold concessions at Buc games. At Mission Bay's AFS Weekend, students from all over San Diego County spent the weekend sharing with each other and learning about each other.

Exchange student, Vera Olano from Spain.

Carol Cappeliez, French exchange student.

Vera's host family — Misha, Stephen, Aniko, and Dona Willoughby

Mission Bay welcomed two exchange students to its campus, Vera Olano and Carol Cappeliez.

Vera is from Spain. She has no brothers or sisters, but with her host family, she has two little sisters, Aniko (11) and Misha (9), and host parents, Stephen and Dona Willoughby. Vera enjoys listening to music and going to the beach; she also played on M.B.'s Varsity Tennis Team.

Carol comes to us from France. She has a twin sister, also in AFS in Wisconsin, and is staying with Gene and Pam Lampson. Carol was active in Speech and Debate and in Key Club. She enjoys reading and water sports.

Both girls enjoyed their stay in America, and Mission Bay was lucky to have two such charming exchange students.

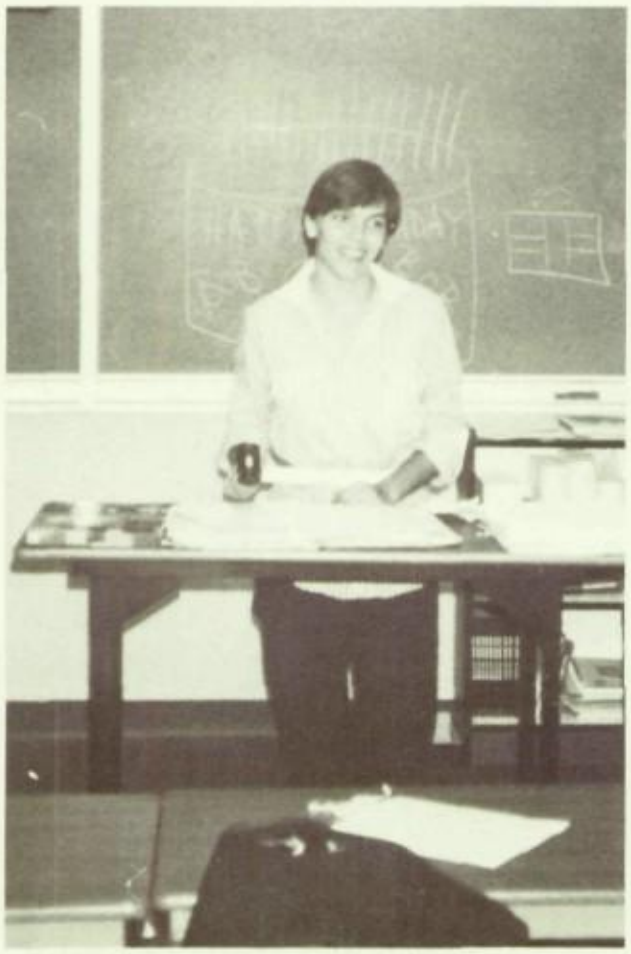
Kelly Kobylski, F.B.L.A. president.



Success

Future Business Leaders of America (FBLA) started its third successful year with a get together; a cookie sale, the first fund raiser of the year; and a trip up to Fresno, CA for the duties required of them.

As the year progressed, FBLA had workshops to prepare the members for the upcoming sectional, state, and national conferences where they compete in on-the-job training.

When the year came to a close, all felt confident that they could go out into the business world due to their experiences with FBLA.

Key Club: Making the Difference

Key Club Members assisted at the 5th Annual Leukemia 10K Run.

Key Clubbers stayed busy throughout the year by participating in such events as the annual Kiwanis Apple Drive, K.P.B.S. Auctions and other activities to benefit the school and community alike. The highlight of the year was the District Convention held in Fresno. Twenty-five members from Mission Bay attended along with thousands of other Key Clubbers from Hawaii, Nevada, and throughout California. Key Club is a co-ed high school service organization made up of more than 3500 individual clubs and over 10,000 members. Mission Bay's 1984-1985 Key Club would like to thank Mrs. Stegman for her participation as Faculty Advisor.

The Academic Achievers

The California Scholarship Federation, or CSF, is for those students at Mission Bay High School that are dedicated to academic excellence. Membership is based on earning ten or more points on one's semester report card. For each "A" on a report card one receives three points, and for each "B" one receives one point, excluding P.E. Life membership to CSF is attained if one qualifies for four out of the six high school semesters, with at least one during the senior year. Those students qualifying for life membership are honored by having a seal affixed to their high school diploma. Throughout the year CSF members, with the help of their advisor Mrs. Knowles, attempted to raise money in order to grant scholarships to outstanding students at Mission Bay High School.

CSF Members: Front Row: Ross Shekelton, Jennifer Jolersman, Christi Drage, Traci O'Neil, Susan Teeple, Shannon McGlathery. Middle Row: Melissa Caccam, Arlene Lee, Lisa Balch, Tammy Musser, Mary Jo Leon. Back Row: Brian Drage, Wesley Odom, Jim Thiede, Scott Long, Lindsay Sutton, John Dort.

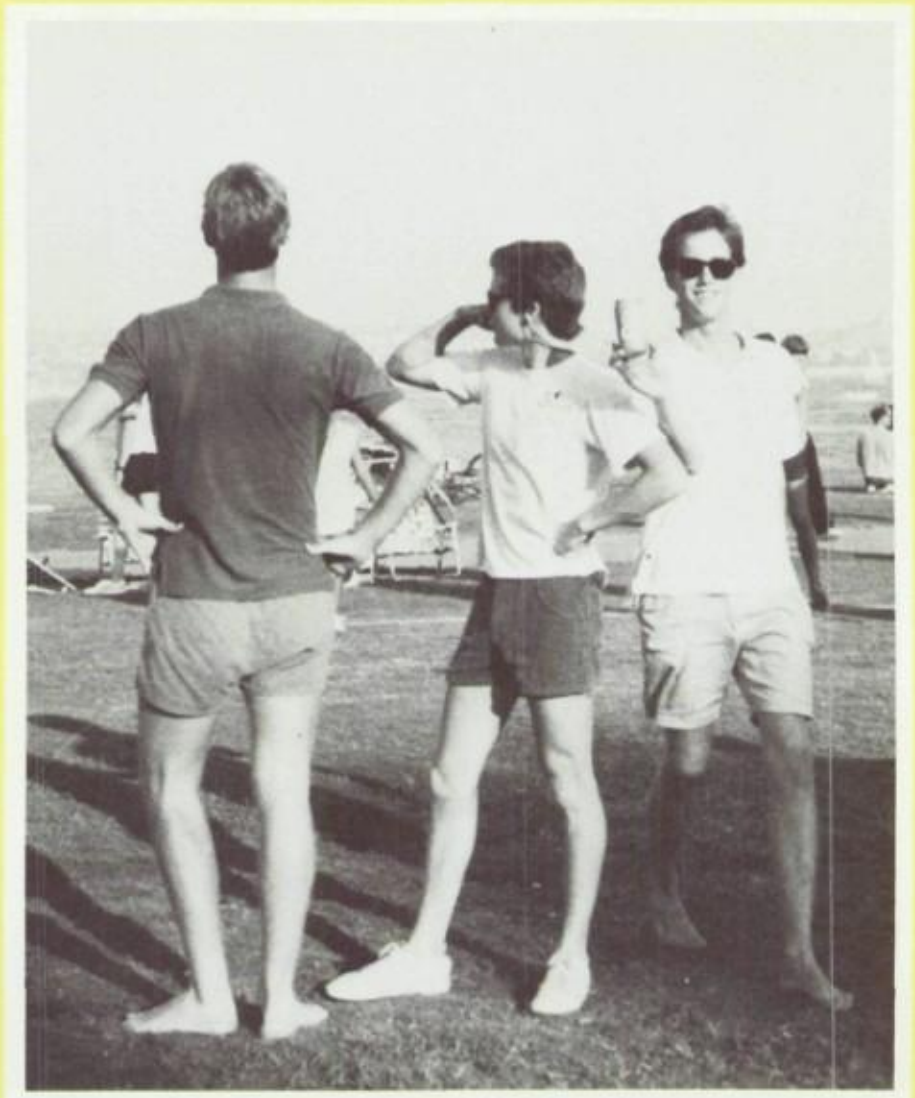
INTERACT: A Class Act!

Wes Odom and Wade Mains flex their muscles.



The Interact Club, in its second year of existence at Mission Bay, is led by Mike Lerg, the president and Wes Odom, the Vice President. Together these two young men have planned and prepared things for the club to accomplish.

September 21, the Interact Club had a beach party, as a membership drive. It was a great success. Interact participated in many other events during the course of the year including trips to Catalina, Mammoth, and Magic Mountain. The club was also involved in the community as well as international services. The members of Interact are very determined to make the Interact club a success now, and in the future.

The Dixie Band Peps All Of Us Up!

The devil made me do it!

The Dixie Band helped enthuse us when we needed it. During the Mission Bay football games, the Dixie Band played jazzy tunes which raised all our spirits. Even if the Bucs lost, the Dixie Band won.

The Dixie Band practiced diligently and took their work very seriously. Their lively songs always boosted Buc pride when it was at its lowest. The Dixie Band should be saluted for their great work during the 1984-85 school year.

The Swing Choir — hard at work

The Mission Bay Swing Choir has shown that they're one of the best musical groups in high school history. After strenuous practice, they captivated their audiences with superb musical performances.

The Swing Choir was a "must" see for all Mission Bay students. Their unique blend of old and new songs proved to be a hit with all types of audiences. Everyone in the Swing Choir is tremendously talented and who knows? We may have the future of singing greats right here at Mission Bay.

The Swing Choir leaves rehearsal.

Cami Wess and Sandra White are glad to be here.

Let's put on a Show

Show choir thrilled Mission Bay this year with singing and dancing excellence. The students spent long hours practicing different dance routines. Under the direction of Mr. Vinole, the group's professional performances at Christmas & throughout the year brought accolades to the dedicated group.

New Orleans Jazz . . .

Mission Bay's award winning Jazz Ensemble brought the sound of "Old New Orleans" to Mission Bay High School every time they performed. Under the guidance and direction of Mr. Vinole, the Jazz Ensemble has won numerous first place and superior awards over the past eleven years.

Throughout the year the Jazz Ensemble played for the student body at assemblies, during Spirit Week, and at the Holiday Music Show. The highlight of the year was their trip to Hawaii over spring vacation. There they performed for the prestigious Royal Kamahameha High School. The Jazz Ensemble is one of the most accomplished groups on campus and has greatly contributed to the pride and reputation of Mission Bay High School.

Act One, Scene One . . .

Mission Bay High School's Drama Club kept the entire school entertained throughout the school year. Under the direction of Mr. Drake, the Drama Club brought professional theatre to Mission Bay's campus.

The Drama Club produced two outstanding plays in the course of the year. Their first performance, "I Ought To Be In Pictures," by Neil Simon, left everyone laughing. Their second performance, "David and Lisa" was a tragic love story. These plays showed the great versatility and skill of the actors and actresses.

The Drama Club also participated in the workshops at Occidental College for the High School Theatre Festival. There they were able to practice and perfect their acting technique. Through the efforts of the Drama Club this year students were able to experience professional acting from dedicated performers.

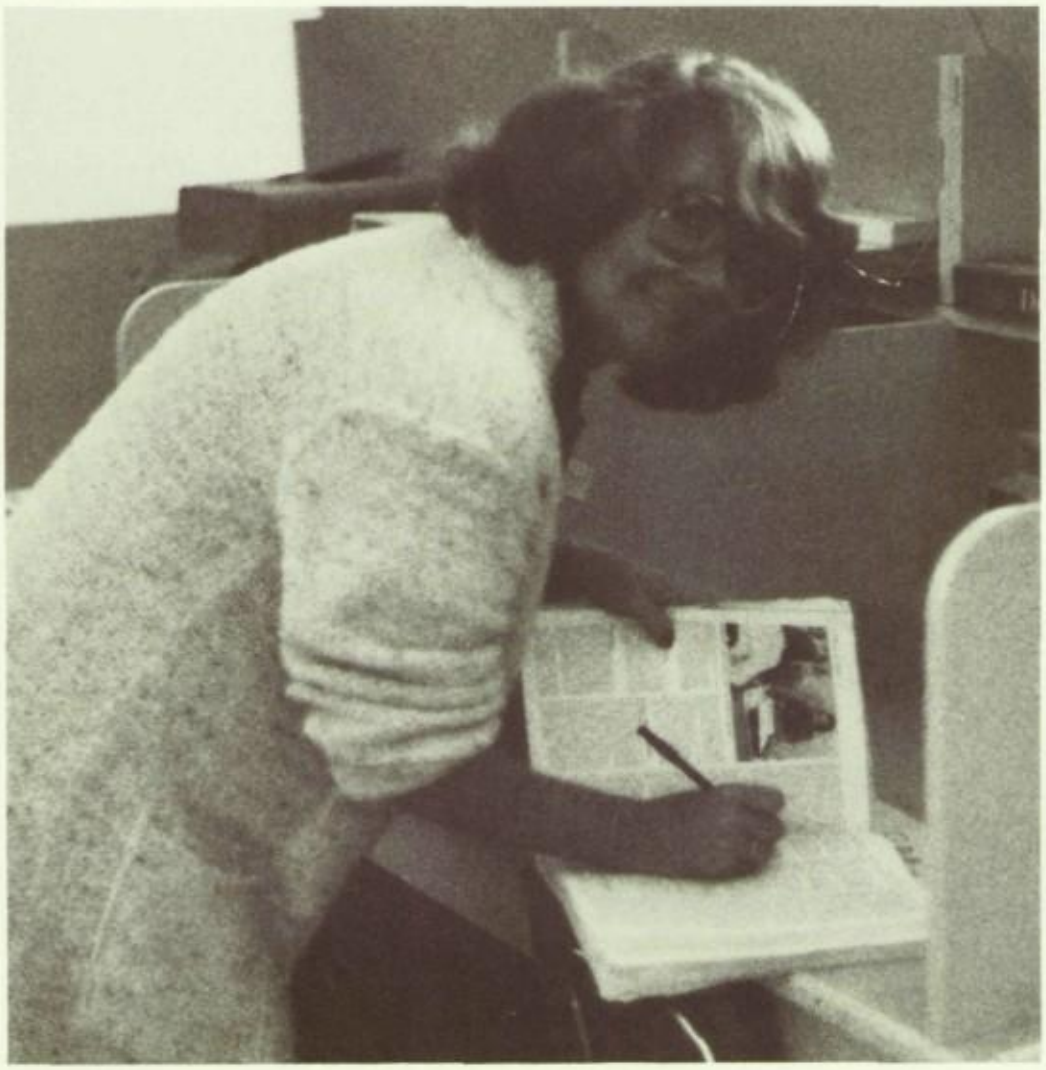
Career Center . . .

Career Counselor Mr. Severson.



The career center proved to be invaluable for the students of Mission Bay. Mr. Severson and Mrs. Sennett labored to assist students in discovering their goals and applying for financial aid for colleges.

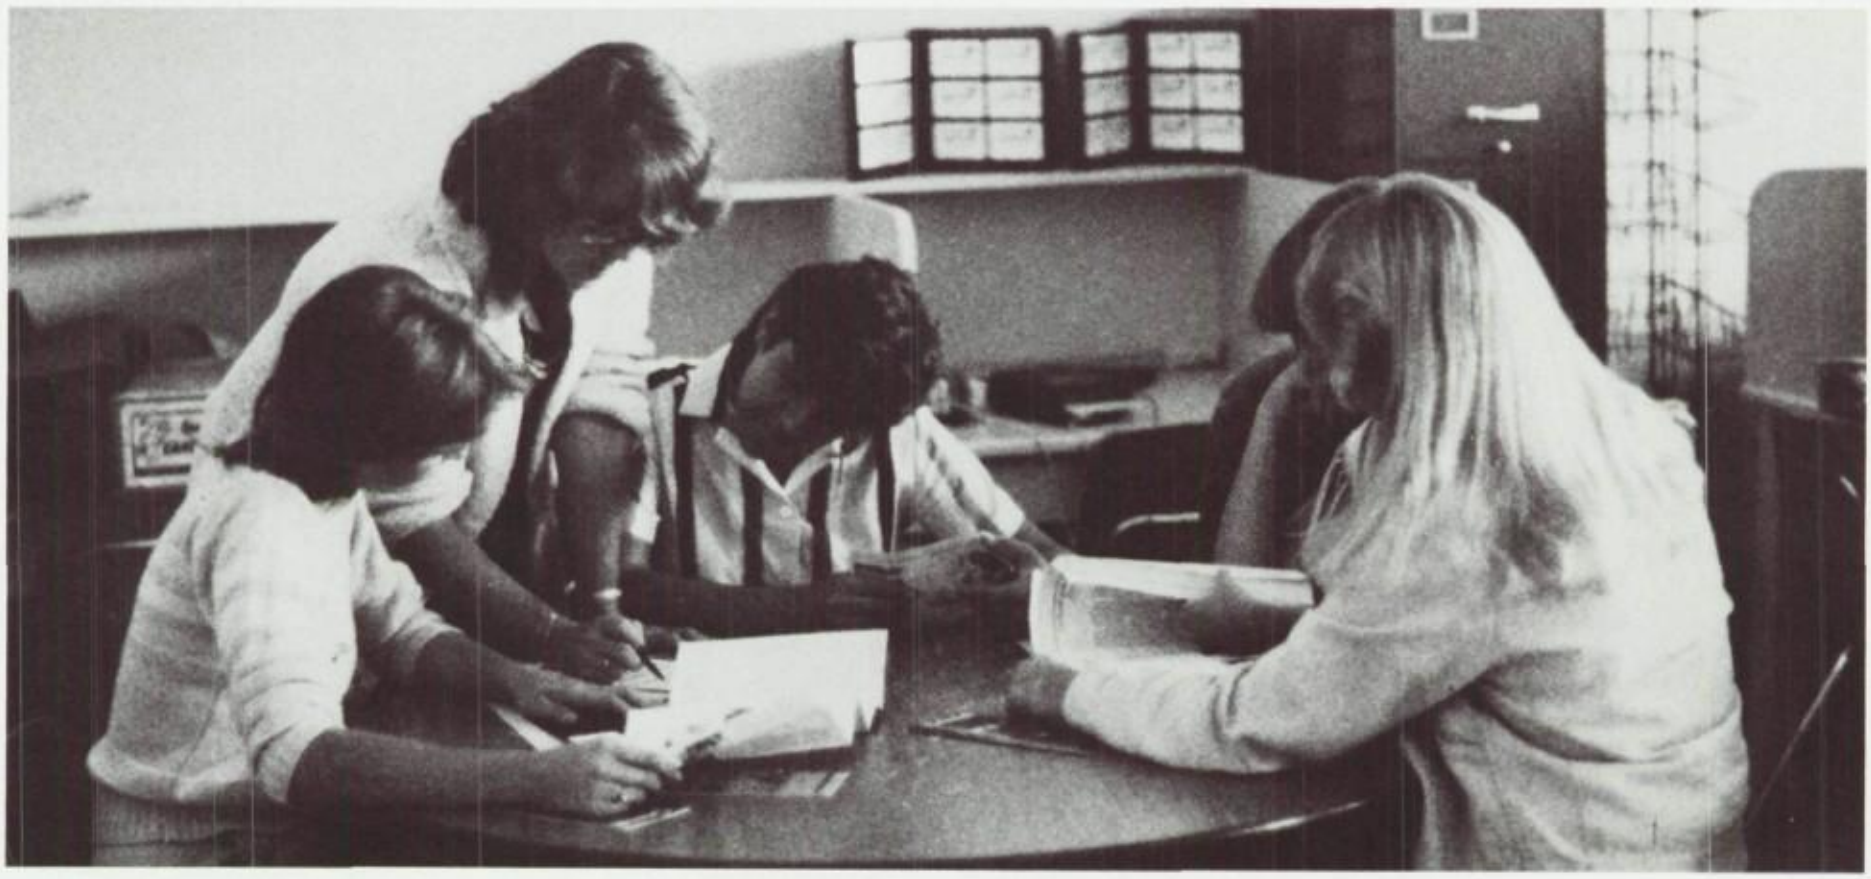
The center was also the place to get work permits. Another service provided by the center is enrolling in the R.O.P. (Regional Occupational Program).

Mrs. Sennett helps some eager students.

. . . Shaping M.B.'s future

Career Counselor, Mrs. Sennett.

One of the best things the center did was organize W.O.W. (Women's Opportunity Week). This featured business and professional women discussing important information with both male and female students. The Career Center has definitely proved to be beneficial for Mission Bay students.



Students explore career options.

Magnet Center: Success Oriented

Eager students at work.

Mission Bay High School was fortunate to be involved in the magnet program with the San Diego School District. Many students had the opportunity to take a variety of classes involving our Magnet Center. The students found out that our program was tops. Mrs. Gilliland, the head of the Magnet Center, showed just how important the Magnet Center is in helping students prepare themselves early for a great future.

Some of the classes offered were Marketing, Interior Design, Psychology for Business and many more. The Magnet Center will undoubtedly continue to grow and prosper with the outstanding caliber of students and teachers interested in participating in this essential yet exciting educational program. The students completing courses offered by the Magnet Center will definitely make a great impact on the San Diego business community in the years to come.

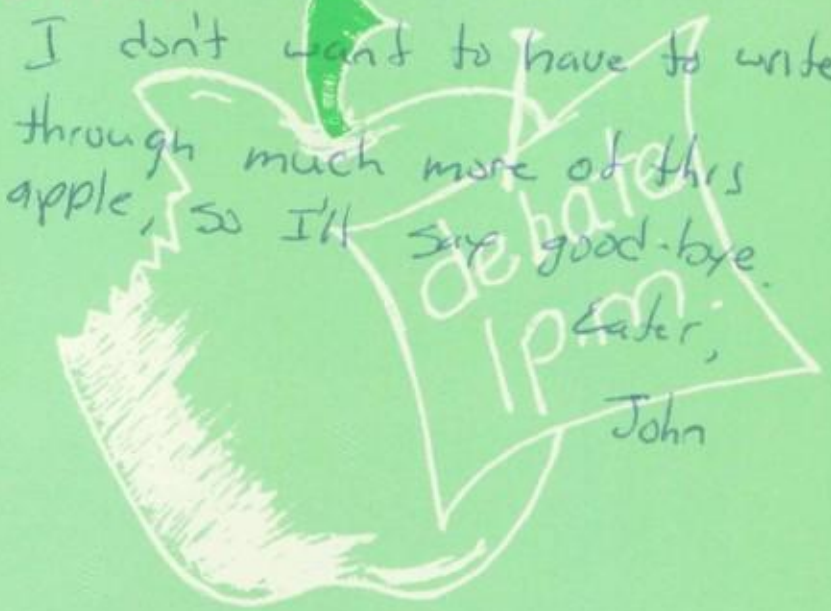
Heather,

Congrats. you found where in this whole book where I signed. This year has been pretty good. We had lots of fun in Ms. Starr's class and still managed to get a G for conduct. Hope you have a killer summer. If you see Sammy, say Hi for me. See you around. Maybe at the beach.

I don't want to have to write through much more of this apple, so I'll say good-bye. Later,

John



The Talk Of The Town

The Speech and Debate Club of Mission Bay has grown since its formation in 1981 by students interested in the forensic field. The club has not only grown in size, but also in reputation through its outstanding speakers. The Speech and Debate Club is chartered by the National Forensic League (N.F.L.) which enables its members to earn N.F.L. points at the various speech contests they participate in. These points go towards a seal they can have affixed to their diploma upon graduation.

Throughout the school year club members participated in many San Diego Speech League Tournaments. With the support of Ms. Stell, their advisor, and returning speakers Valerie Williams, Gillian Kelleher, David Morrison, Shannon McGlathery, Scott Long, and Wesley Odom, the Speech and Debate Club was able to get a standard of excellence for other years to follow.

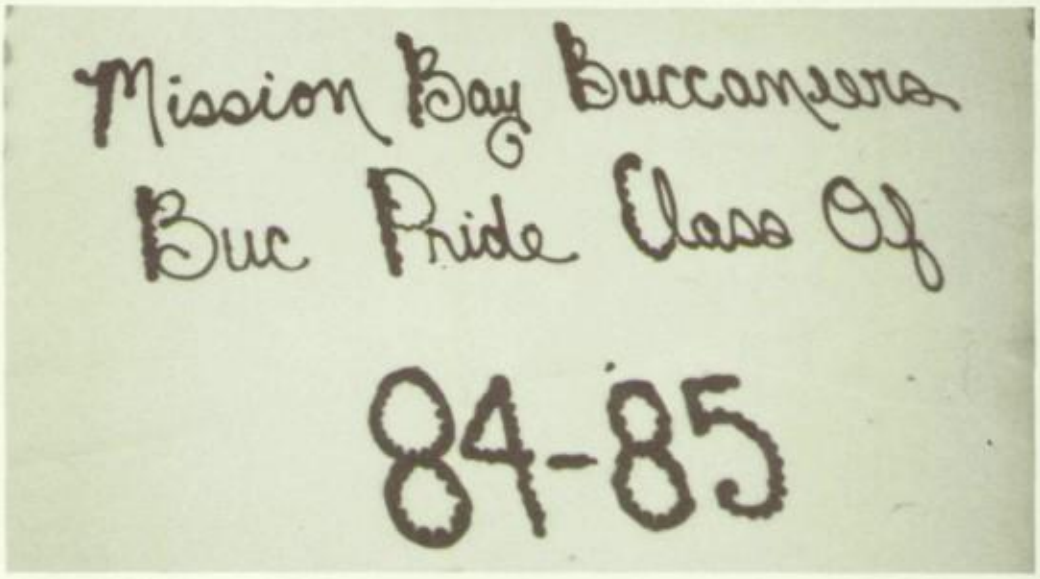
Black and Gold Day

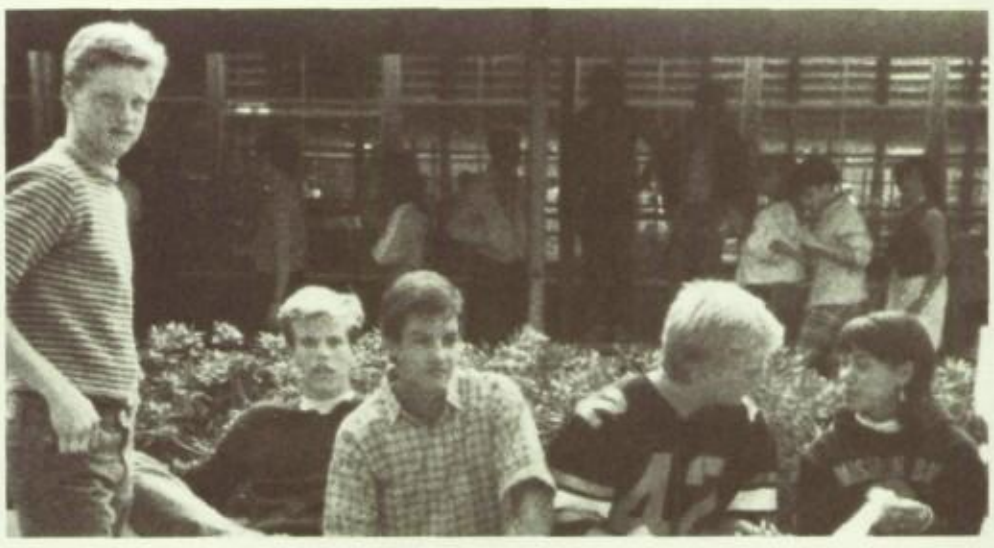
Four lucky girls were glad that they wore black and gold today.

Rochelle Butler obviously thinks she's a ten.

Every Friday Mission Bay students and staff wore Black and Gold to show their school spirit. Special activities such as rallies on the weed patch or in the cafeteria, spirit cake, and talented students performing encouraged us to go to the games and dances.



Shelly, Mellissa, and Adrienne are proud to be Buccaneers.



Scott Unger and friends are sitting and waiting for the rally to begin.

A Week of Awareness

Brotherhood week was a week to learn about and appreciate other cultures. At Mission Bay High School we had a week full of fun, ending with a big food fair. The first day of the week we were entertained by an African drummer. The second day a mariachi band serenaded the weed patch. On the third day we had a karate demonstration on the weed patch which was enjoyed by all. The final day was the big day; there was a variety of foods from all over the world. The food was prepared by the different clubs and classes on campus. We were given an extra long lunch so everyone would have time to eat. Brotherhood Week turned out to be a big success and hopefully the tradition will carry on.

A taste of Mexican Mariachi music on the weed patch.

Traditional African drums played in the cafeteria.

On the weed patch we were treated to a martial arts demonstration.

DECA (Distributive Education Club of America) at Mission Bay, a student organization based on the principles of competition and free enterprise, is a dynamic group involved in DECA's National Association. Besides helping students to learn to get along in the business world, the club takes part in many activities.

Some of the projects the club participated in were the Career Development Conferences. These competitions took place all over California and gave students a chance to meet and compete against other students in marketing based events such as advertising, apparel and food services for awards and recognition. DECA participated in at least three of these this year. Throughout the year they sponsored various fund raisers which contributed to their marketing skills.

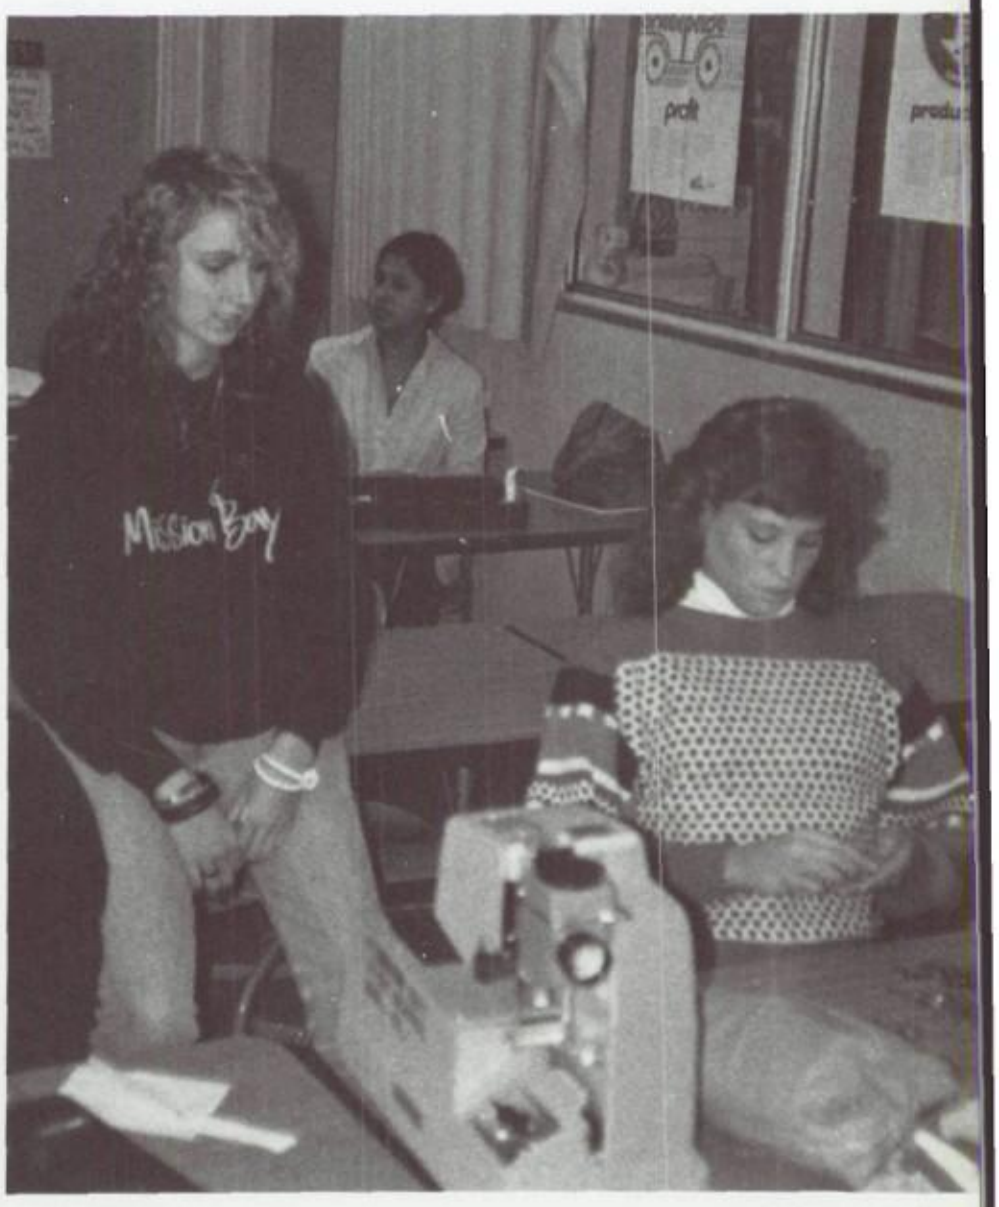
Student Store Sells All

Lunchtime at the student store

The student store, run by marketing students, worked as a small business. The students learned the skills needed to effectively run a business and work well with others. They also learned how to advertise, display, and sell merchandise. The students developed financial records and controlled stock. The students are given the opportunity to learn these skills for future or current employment.

Mellisa Freeman and partner sell goods from the store.



Cheryl Nolan is really amazed at how much money they made.

ASB Ball: A Classy Affair

This year's ASB Ball was held at the Cafe del Rey Moro, which gave the dance a memorable touch. The band, The Tears, played as did a disc-jockey from the radio station 92.5. The two music providers played at intervals, giving the band and DJ breaks while keeping the tunes on the move. Many Sophomores and Juniors dressed in formals because this was their most formal dance of the year. Although the number of couples were few, the enthusiasm was high. Tuxedos and limousines were a common sight that evening. March 8th, was undoubtedly a classy affair for all who attended.

THE FABULOUS FALL RALLY!!!

Bench Warmers of America Unite!

The fall Pep Rally was held on October 19, 1984; it started off with J.V. Cheerleaders. The J.V. Cheerleaders did something new by adding two boys to the squad: John Rasimas and Mike Deign. The Varsity football team followed with their "Hut Drill" exercises. Of course there were others. The Field Hockey spelled out "Field Hockey" on their skirts and the Tennis team stuffed their bras with tennis balls. The Rally was just a warm-up that would be followed by Homecoming that evening. "The other teams as well as the audience had a great time," said Eve Jimenez.

Buc Pride Through . . .

Showing the mighty pride that Mission Bay has, the Bucs this year did an outstanding job of holding their heads up high even after a 0-10 season. The Bucs gave it their best effort, and stuck together, but their opponents this year were a great deal tougher than in the previous years. The spirited crowd kept the team's morale up and their determination strong. Players like Kevin Alexander, Lance Larson, Todd McPhee, Richie Shaw, and Steve McEnroe are just a few of the talented and devoted members of the Bucs who kept the team together. In the eyes of the students at Mission Bay, the Bucs are number one.

The coaches and the team wait patiently for the play to end.

Thick and Thin

Heather,
To bad ipompoutz wouldn't let you play football this could have been you under the pile. Your friend Bob.W

Feet don't fail me now.

"And that finishes you too," says the Buc Defense.

I have it, I have it! Well maybe I don't.

Okay Rich listen, do it my way not yours.

Move it or lose it.

"Cmon dudes let's stick together."

"Thought you wanted to play football, not tie my shoes."

To boldly go where no man has gone before.

"Please don't let us fumble"

"And they say football is tough," laughed Des Toomer.

"C'mon Saul please catch the ball."

Okay guys let's go look for the beef."

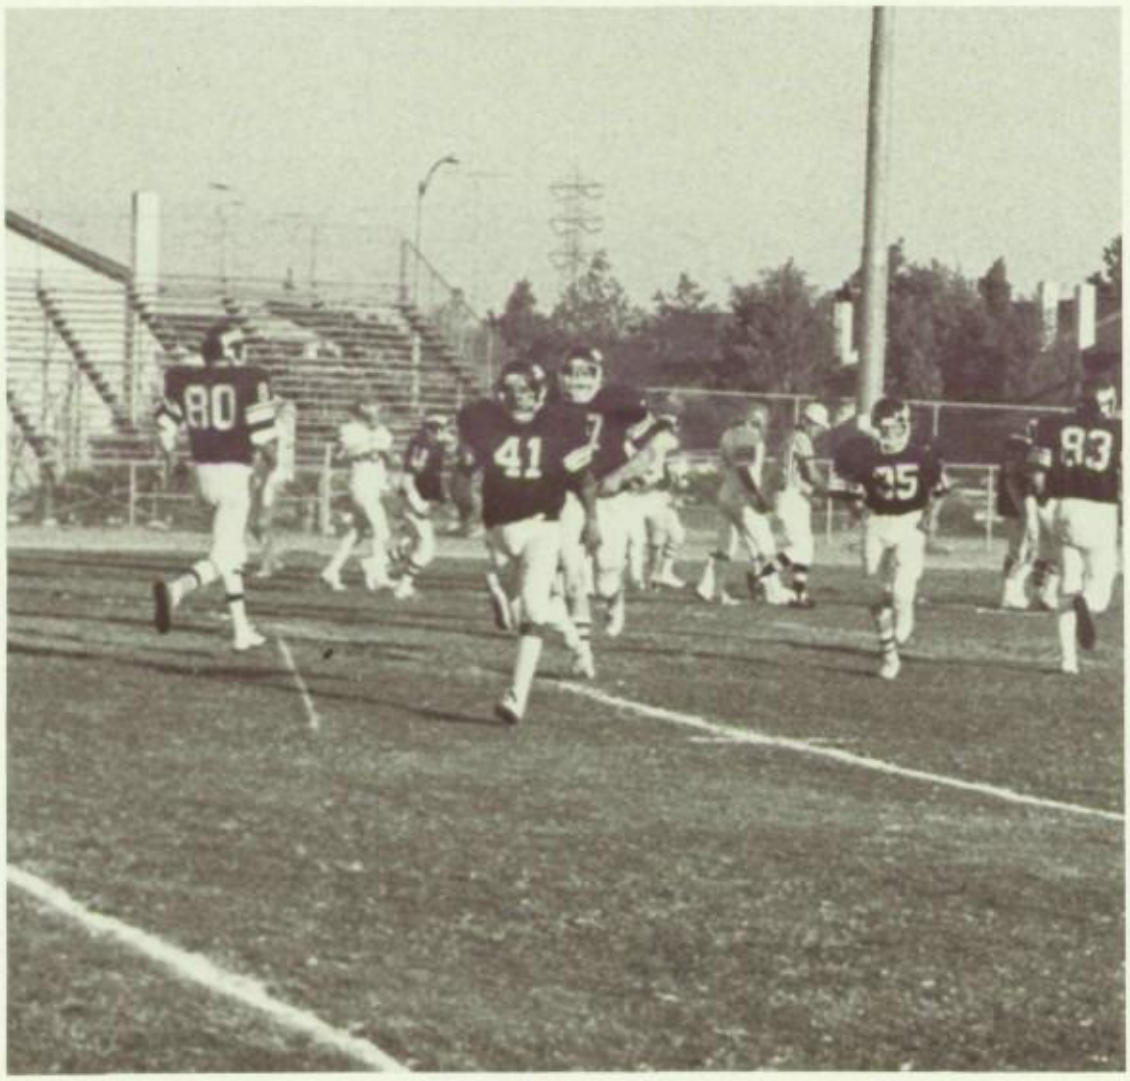
"I got it, Richie."

"Fingers don't fail me now," says Kevin Alexander.

Bucs have no mercy.

Defenders of Buc Pride . . .

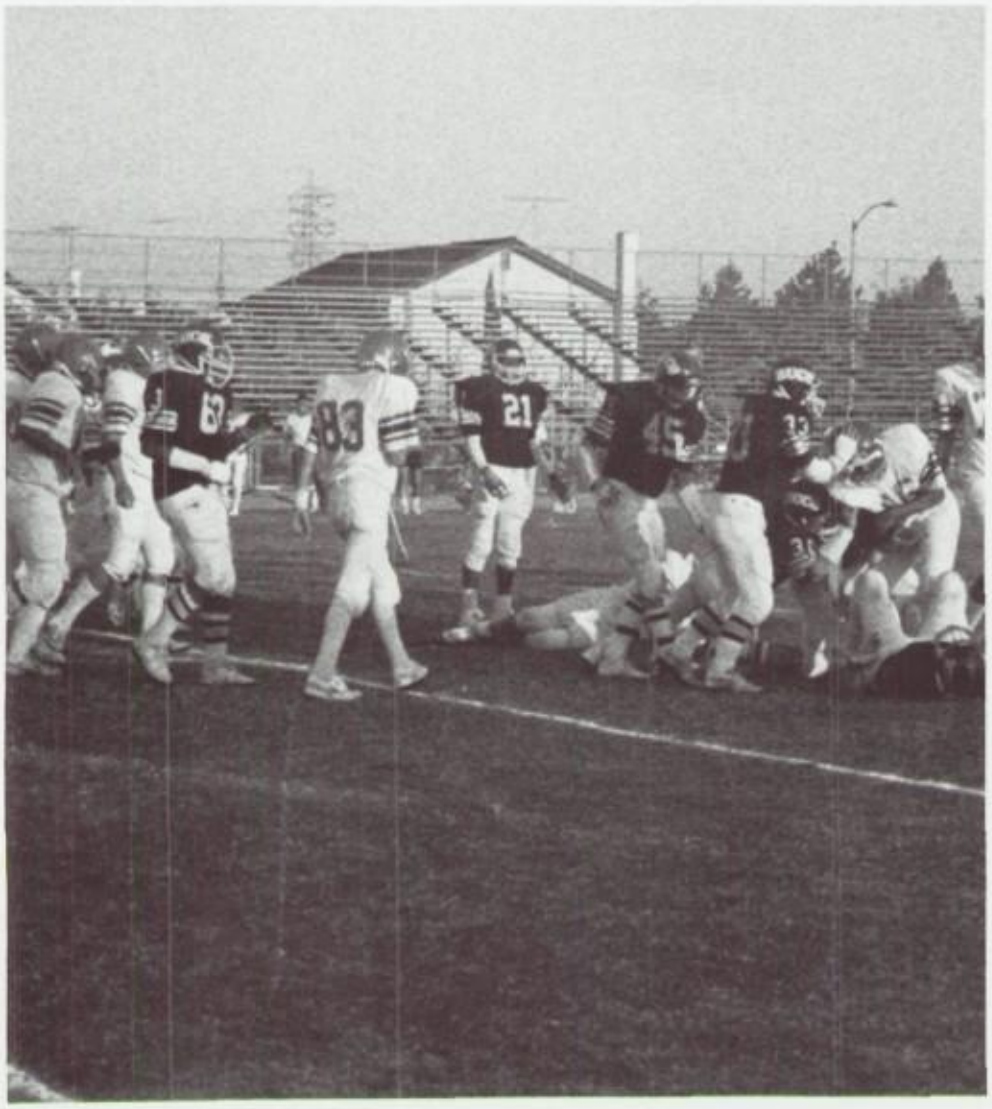
This isn't my day!



This year's JV Football team had some good potential, but didn't seem to be able to win many games. Even so, they still did better than the Varsity Football team. The JV team had some really fine players that helped the team tremendously. The crowds had spirit that overflowed onto the field and sometimes helped the struggling team go on to victory. Overall the season wasn't too bad. Here's what some of the fans and players thought of the season. Eric Taylor, JV football player said, "It was worth the time and effort and I had a great time," Lori Dahns, a JV cheerleader said, "They had the potential, but needed more effort." Mike Falbo, sophomore said, "It was fun going to some of the games." Everyone had a great time, and maybe next year we'll go to the championships.

The defense takes over.

Did they blow the whistle?!



The team awaits the call.

The Boys' Cross Country team showed that they were one of the few bright spots on the Mission Bay sports scene. Coach Ungricht's squad made it all the way to the C.I.F. finals. The team also had three members on the ALL-League Team: Greg Grassman, Richard Rodriguez, and Doug Webster.

The Girls' Cross Country team was not as successful as the boys team, but they improved as they progressed and should be a power next year. Cross Country is one of the toughest sports and is very exciting. With all the talent that Mission Bay had this year, there will be much to cheer about next year.

The top two runners on the girls team: Mary Jo Leone and Christine Flanagan.

Mission Bay Bucs are Back!

"I'll back you up Terri," says Brenda Gonzalez.

Mission Bay's Field Hockey had a spirit oriented year. Our crazy hookers didn't have many wins, but everyone had a lot of fun. Due to the enthusiasm of Ms. Malley and the teammates, the morale kept the team going. The Buc Field team learned that winning was not the only object of the sport. The effort that is used, the skills that are learned and the friends that are made meant more to the players than winning.

Buc Setters Go Far

The Buc star players take a break.

The Girl's Volleyball Team worked hard to excel in their playing; they practiced as much as three hours a day, five days a week. The team had four talented and experienced players who made the All Western League Team; they were Maria Strohlein captain, Minna Lollis co-captain, Laurie Tharp, and Cindy Brown. The overall record was 5-5, leading them to a 3rd place finish in the league.

A Smashing Year For Girls Tennis

Tennis pro Wendy Talley prepares for a forehand.

Under the leadership of team captain Karin Enbom, the 1984 girls' tennis team had a fine season. Although they had a new coach, Mrs. Marilyn Wild, nothing could hold them back. Their #1 player, Christy Drage, led them to many stunning and spectacular victories. "The team really pulled together this year and played their best," said Lindsay Sutton, member of this elite team of athletes. Christy Drage and Karin Enbom rounded off the winning season by placing third in the C.I.F. doubles championship.

Crowded in the gym, excited students arrived anticipating a great winter rally. Adrienne Henderson appeared to start the winter rally off with a bang. Varsity Basketball (girls'), Girls' Soccer, Wrestling, Boys' Soccer, Varsity Basketball (boys'), The big bad BUCS!, were all introduced as the crowd applauded their favorites. After the sports introduction the crowd got a real pop out of the balloon popping contest, where the girls' basektball team dribbled away with Linda's Donuts.

The Rally concluded with the Sexy Legs contest when Ms. Lawlor walked away with the Sexiest Legs. The students enjoyed the winter rally this year and showed Mission Bay's famous enthusiasm.

Western League Champs

Ain't no mountain higher then Brent Chandler

The 1984-85 basketball season was one of Mission Bay's finest in 25 years. Only once before has a Buccaneer Varsity basketball team been a league champion and C.I.F. playoff participant. Our success was largely due to co-captains Jon Cheatham and Juan Ruiz, senior lettermen Mike Rogers, Brent Chandler, Rodney Henderson, John Hemmerly and Richard Viles. These 7, along with 5 outstanding juniors, were rated throughout the year in the county top 10 while once climbing into the number 2 position.

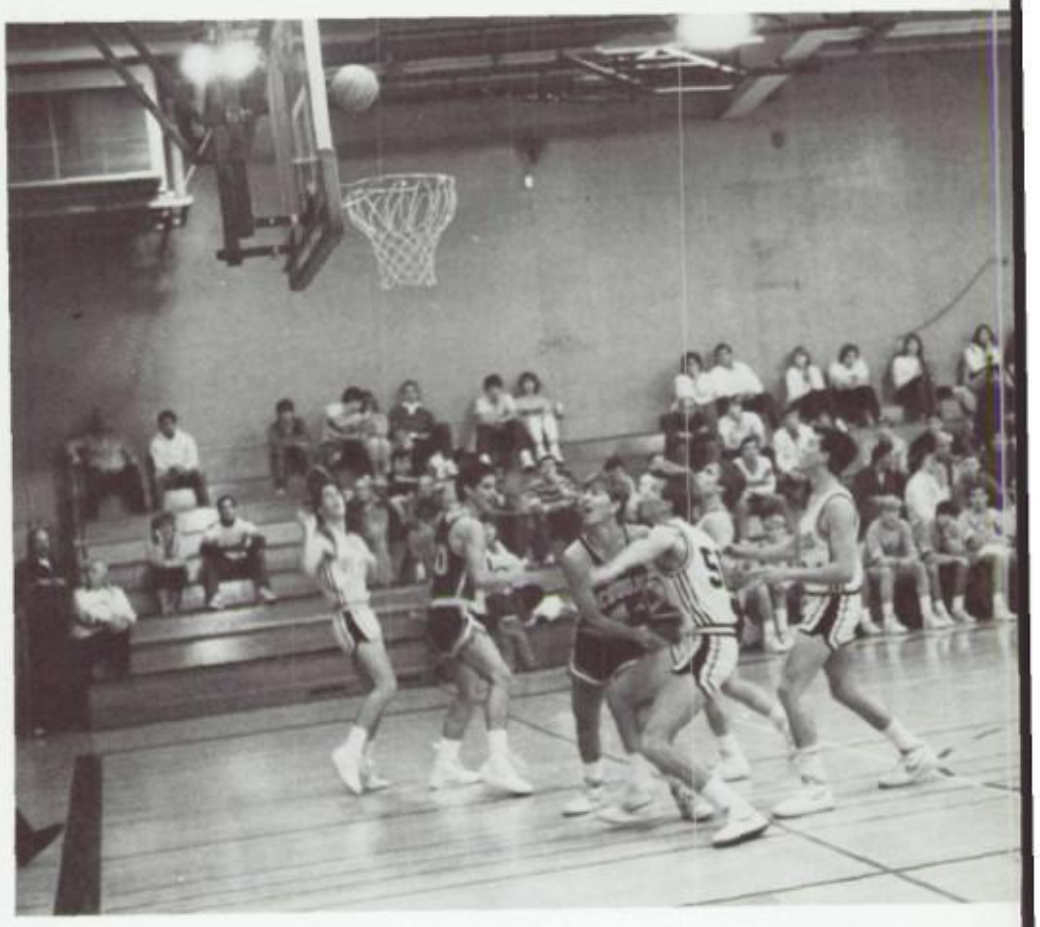
Confidence and optimism propelled the Bucs into the Mt. Helix Invitational Basketball Tournament where the team lost only to perenial power Helix High, in overtime. Victories came against Granite Hills and Mt. Miguel. Senior Mike Rogers, one of the best shooting guards in the county, made the all-tournament team.

Rodney Henderson and Brent Chandler rose to the occasion against the next three opponents.

Top row left to right; Head Coach Mike Seaman, Kevin Barthel, Jon Cheatham, John Hemmerly, Brent Chandler, Paul Williams, Kyle Ketchum, John Turner, and Assistant Coach Rob Vilven. Bottom L-R; Mike Rogers, Tony Richards, Rodney Henderson, and Richard Viles, and Juan Ruiz.

The Bucs always Cheatham good.

'fter all that work it better make it in the basket.



Dominating both inside and outside, San Dieguito, Escondido and Valhalla, succumbed to the Bucs feared press helping Mission Bay's record to (5-1).

As defending 1983-84 Kiwanis limited division champions, the team entered the 1984-85 tournament as the favorites. It would not come to pass. Third place was the best we could do. However disappointed we were, we were happy for Mike Rogers again made the Kiwanis all-tournament team for the second year in a row.

During the last week of vacation the Bucs beat powerful San Clemente High, and lost to Dana Hills, which left the season mark at (8-4) going into western league play.

Now ranked number 4 in the county and a favorite to win the league championship, they weren't about to disappoint their fans. Victories over Clairemont, La Jolla and University City proved exciting but costly. Juan Ruiz was injured and lost for the season. Without Ruiz the varsity lost.

Led by the outstanding play by John Hemmerly, Brent Chandler and Jon Cheatham, Mission Bay defeated Kearny as seen on Channel 15. The win put Mission Bay in first place in the western league. For the first time in the history of M.B. Basketball the boys' team went all the way to CIF finals.

Girls' Varsity Hoopsters

Girls vie for the rebound.

The Girls' Varsity Basketball team had one of the best seasons ever. The team went into the season with great expectations, which were met with many victories.

The team had only three returning varsity players: Suzanne Russell, Kristin Goodall and Michelle Disney. This put Coach Willis in a very difficult position to try to fill all the gaps. But he did, Players like Adri Calderon, Carolyn Willis, Danelle McAeney, Judy Rogers, Abby Meidema, and Maria Hargrove came up from the JV. He also had a few new players: Charlene Gamba, Laura Moceri and Joel Butz.

"This year's team was terrific and next year it will be even better," says Suzanne Russell.

Norman pulls up for a Jumper.

This year's JV Basketball team, led by coach John Labeta and outstanding players Rick Fried, Norman Woods, and Jerry Sullivan, had good team unity and went on to have a successful season. Highlights included 72 points scored against Clairemont and an exciting come-from-behind victory over La Jolla as Tommy Davis made a shot from half court with only seconds left. At mid-season the JV hoopsters were 3-2 and looking forward to a C.I.F. bound second half. Mark White, a sophomore, gave his opinion when he said, "They were all right." Kristin Goodall, a girls varsity basketball player told us, "I thought JV Basketball was outstanding." Senior Wes Odom thought, "They were a good team, and will be a contending force in the future." The 1984-85 JV Basketball team will always be remembered for their dedication and desire to make it to the top.

Girls' JV Lays It Up

This year's JV had a good season. Led by Sophomores Kerry Kinney and Kelly White and Junior Veronica Morales, the team had many victories but also lost some close games.

Improvement was the most important aspect of this year's team. They worked hard and long hours to make the team strong and competitive.

The highlight of this season was beating La Jolla; in that game Veronica Morales won it single handedly by scoring 21 points to the whole La Jolla team score of 19.

VARSITY WRESTLING: THE RIGHT STUFF

Once again Mission Bay has blessed us with a winning Wrestling Team. Team spirit was the main objective of the Wrestling team this past year. They worked together and reached for the top. And the top is where they went. With special help from return players, the team made it big.

J.V. is the breeding ground for wrestling greats of Mission Bay. For a young team they were very good, winning most of their matches along the way. They leave an impressive trail to follow for teams to come.

Boys' Soccer Kicks Off A New Season

John Rasimas avoids a trap.

The Mission Bay Boys' soccer team showed real signs of being the team to beat in the future. They were ranked in the top 10 for most of the season and beat top ranked competition. The highlight of the season was the La Jolla Christmas Tournament. The squad played spoiler, and upset top ranked Ramona, 4 to 2.

After years of obscurity, the Bucs are now getting respect for our great soccer team. All soccer fans must tip their hats to the Buc team. What a job!

Girls' Soccer: 1985 CIF Champions

The Mission Bay Girls' soccer team proved to be a major power in the San Diego high school soccer league. The Bucs dominated nearly every team they played. The pinnacle of their season was when they won over defending champs, University City 6-0. That victory catapulted the Buccaneers to being CIF champions of 1985, 2A division. The team's aggressive style made the score against University City seem like an "off week." They won games against many creditable teams by ten or twelve points. The girls' soccer team also showed a great deal of class and Buc pride which helped to pace one of the most successful Mission Bay teams this year. The entire school was proud of this highly victorious team.

GOING THROUGH PAIN . . .

Pain, Torture, Agony. Better known as P.T.A. are three words that best describe how the Mighty Bucs Boys' track team went through this year. Even though the team faced many hard contenders, they kept the pride that The Bay is known for.

Veterans like Richard Rodriguez, Todd Werner, Steve Ramsey, John Moceri and newcomers like Kevin Casey, Kevin Bennett, and Doug Mead added to the MB force.

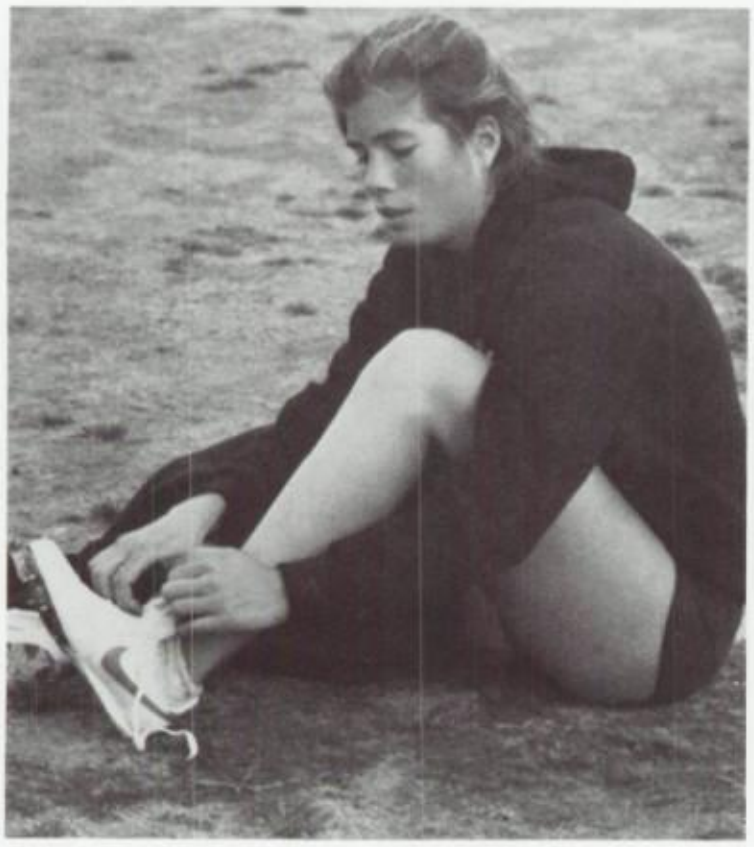
Coach Willie Matson thought the team had great potential. The strength from last year was still there but in different forms. The boys showed us that pain means gain; torture means medals; and agony means relief after a tough meet is over.

Pole-vaulters do it with long sticks.

Scott Gomez shows the pain, torture and agony.

David Browne gets high on life.

Mary Jo Leone gets ready for an 880 race.



"We have a real good team this year. A lot of us returned. There's no doubt in our minds that we can hold the Western League title again this year," said senior Ellen Flanagan.

The team went through some disturbing times with senior injuries that set a few of the girls back. After one meet a girl cried because she didn't do her best. But after practicing a little harder the same girl ended the year with one of the best times in the county in the 220.

Dan Ungricht, the prestigious coach of the girls' track team, really let the girls know that it wasn't going to be a kickback year. Practices were hard but gainful; meets were very competitive but rewarding; the medals were hard to obtain, but exciting to receive.

Newcomers like Susan Teeple, Laura Moceri, Kristen Inman and Christine Flanagan brought forth more strength, and returning veterans Adrienne Henderson, Adri Calderon, Barbara Madkins and Carolyn Willis continued to add to the mighty Buc Power.

The Underwater Wonders

Lisa Hotz wonders if it's her event or not.

This year's swim team did a fantastic job. They competed against big schools such as La Jolla, Point Loma and Coronado and did their very best. Marilyn Wild, Mission Bay's veteran swim team coach, supervises the girls' team while Daniel Davalos coaches the boys' team. Helping both coaches out are the team managers, Heather McMaster and Dana Palmer. With two great coaches as these, it's no wonder Mission Bay's swim teams have earned the title "Tidal Wave" because of their forceful drive in the water.

The captain of the dazzling girls' swim team is Lisa Hotz, who has qualified for the C.I.F. in the 100 yard Butterfly and the 100 yard Breaststroke. Lisa is also in charge of the 26 girls on the team. Stacie Whalen is another hopeful for the C.I.F.

The captain of the boys' swim team, 3-year competitor John Dort, led the team to victory. He, Brian Drage, and Shannon McGlathery are hopefuls for the C.I.F. John leads the 13 boys on the team.

Events in swimming include the starting relay which is 200 yards; 100 yard Butterfly; 100 yard Breaststroke; 100 yard and 400 yard relay for Freestyle, Breaststroke, and Butterfly; and the individual medley. They meet daily at Clairemont pool on Clairemont Dr. between 3:15 p.m. to 4:30 p.m., unless they have a meet. A strenuous and grueling work-out, which they all have to do everyday, prepares the team for success in their meets.

The Mission Bay Badminton team improved greatly this year. With top competing players such as Marny Manner and Dan Miller, the team was greatly helped and had many victories. "Pride and Poise" was the best motto for this spectacular year in baseball. Starting out the year with a great 3-0 lead, the Bucs ranked fifth in the county and were a top challenger for the Western League championship. The whole community stood up and took notice, even the local Star News paper.

Many people turned out to see the winning Bucs. Parents came out to cheer on their sons and girlfriends to root for their sweethearts. The Rodriquez brothers, Enzo and Pedro, who were among the team's more accomplished players, pitched their finest season. Another capable player was John Hemmerly, one of the best in the county.

However, none of this could have come about without the tremendous help and knowledge of Head Coach Dennis Pugh who epitomizes the saying "behind every great team is a great coach." As usual Coach Pugh and the team gave it everything they had.

Front row: Camille Salave, Judy Rogers, Lorena Aviles and Shannon Lolley. Back row: Coach Milton, Ann Agerton, Kori Rucker, Janine Smith, Kristin Goodall, Jenny Smith, Kelly Lins and Heather Sterns.

This year's softball team started off great. The team had only four returning Varsity players: Kristin Goodall, Janine Smith, Jenny Smith and Judy Rogers. Mr. Milton had to try to find some new players to fill all the gaps that were left. He found some very good pitchers like Kori Rucker and Camille Salave. In the infield and outfield he acquired Lorena Aviles, Kelly Lins, Heather Sterns and other fine players.

This year Mr. Milton stressed defense. He said, "If you have a good defense, then no one can beat you." The team worked long, hard hours on the field trying to perfect their game, and they were very successful.

This year's 1984-85 JV Baseball, filled with excitement, started the season with two tremendous massacres against Cristian and Bishops. The team, led by outstanding players like Chris Hess, Troy Mack, and Chris Wukovits, plowed their way to the top of their division.

This year the JV team's pitcher was ninth grader Sean Reese. Sean not only pitched for the JV team but for the Varsity team as well. Sean is just one of many ninth graders who will infiltrate the M.B. sports scene in the coming years.

The Buccaneer fans were an enormous asset to the team. The screaming girlfriends, parents, and grandparents cheered their team to victory.

The 1984-85 JV Baseball team will be remembered as champions.

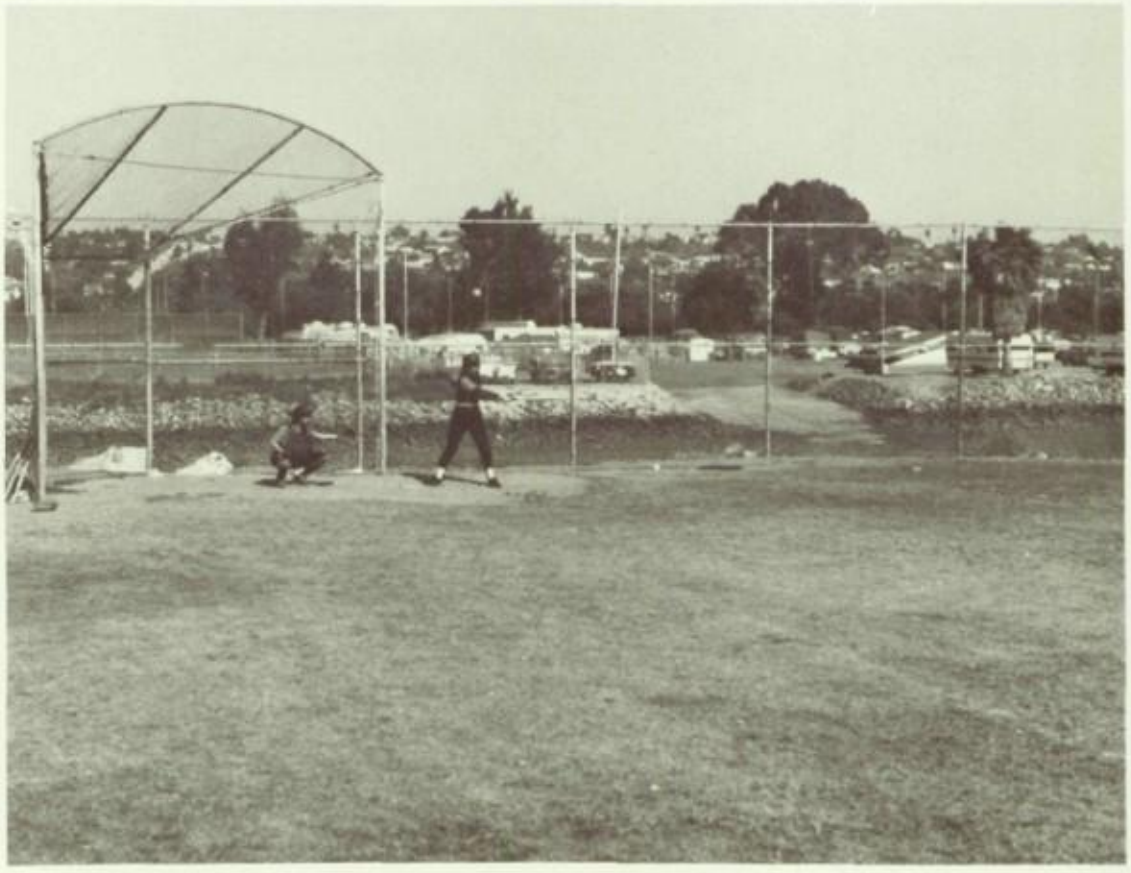
Girls' JV Hits Away

Going for it all.



The Girls' JV Softball team had a fun season this year. The team started out on very shaky ground. With a new coach and all new players the team had a fresh start. With players like Wendy Talley, Melissa Howell and Adrian Sherwood, the team had a strong foundation to build on.

Back Row: Lisa Derrock, Wendy Talley, Amy Shaw, Coach Brown, Melissa Howell, Joel Butz, Melinda Dow. Front Row: Kerry Kinney, Adrian Sherwood, Elisa Jermani, Joyce Josilyn. Not Pictured: Amy Crosby.

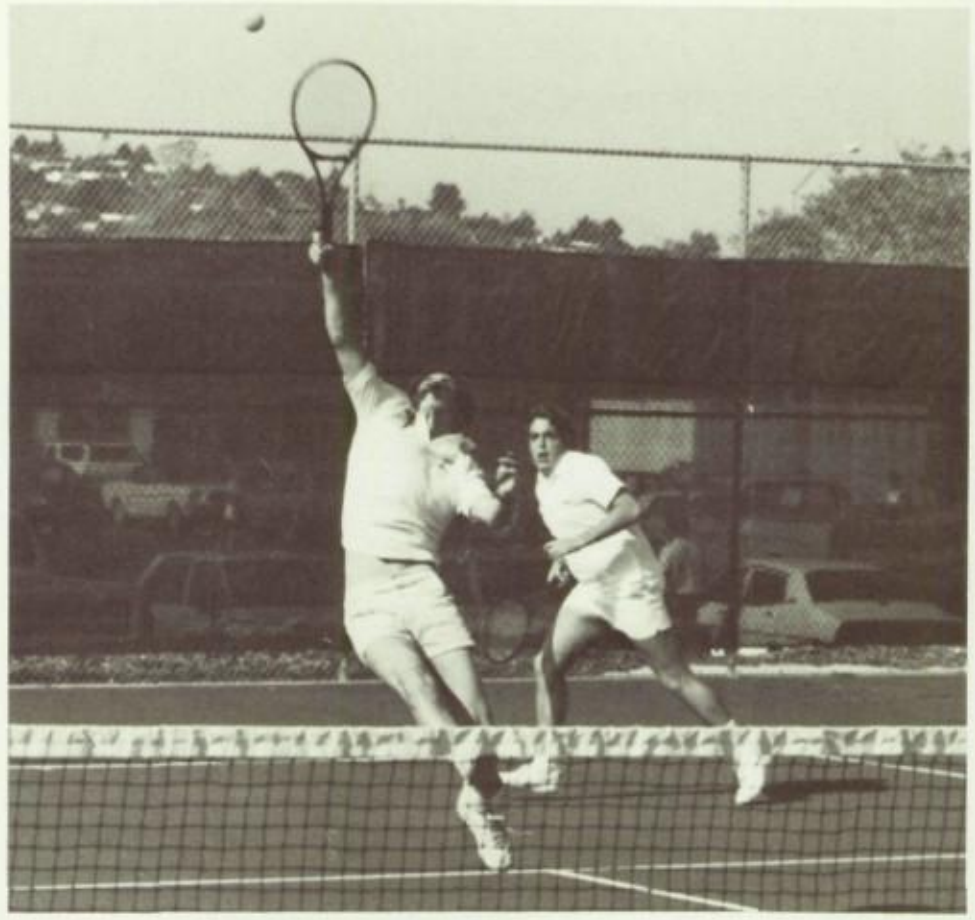
Boys' Tennis: Born To Win!

#1 doubles team Wade and Kevin win as usual.



This year's professional Boys' Tennis Team, led by seniors Josh Grimes and Wade Mains, once again smashed their way to many victorious games. Top ranked players in their league, Josh Grimes and Mike Rupe led the singles matches in many spectacular wins while Wade Mains and Kevin Lewis stunned the opposition in doubles tournaments. Veteran tennis player and coach, Mr. Steed, coached the 84-85 team this year, and with his guidance and leadership the team was able to pull off another winning season.

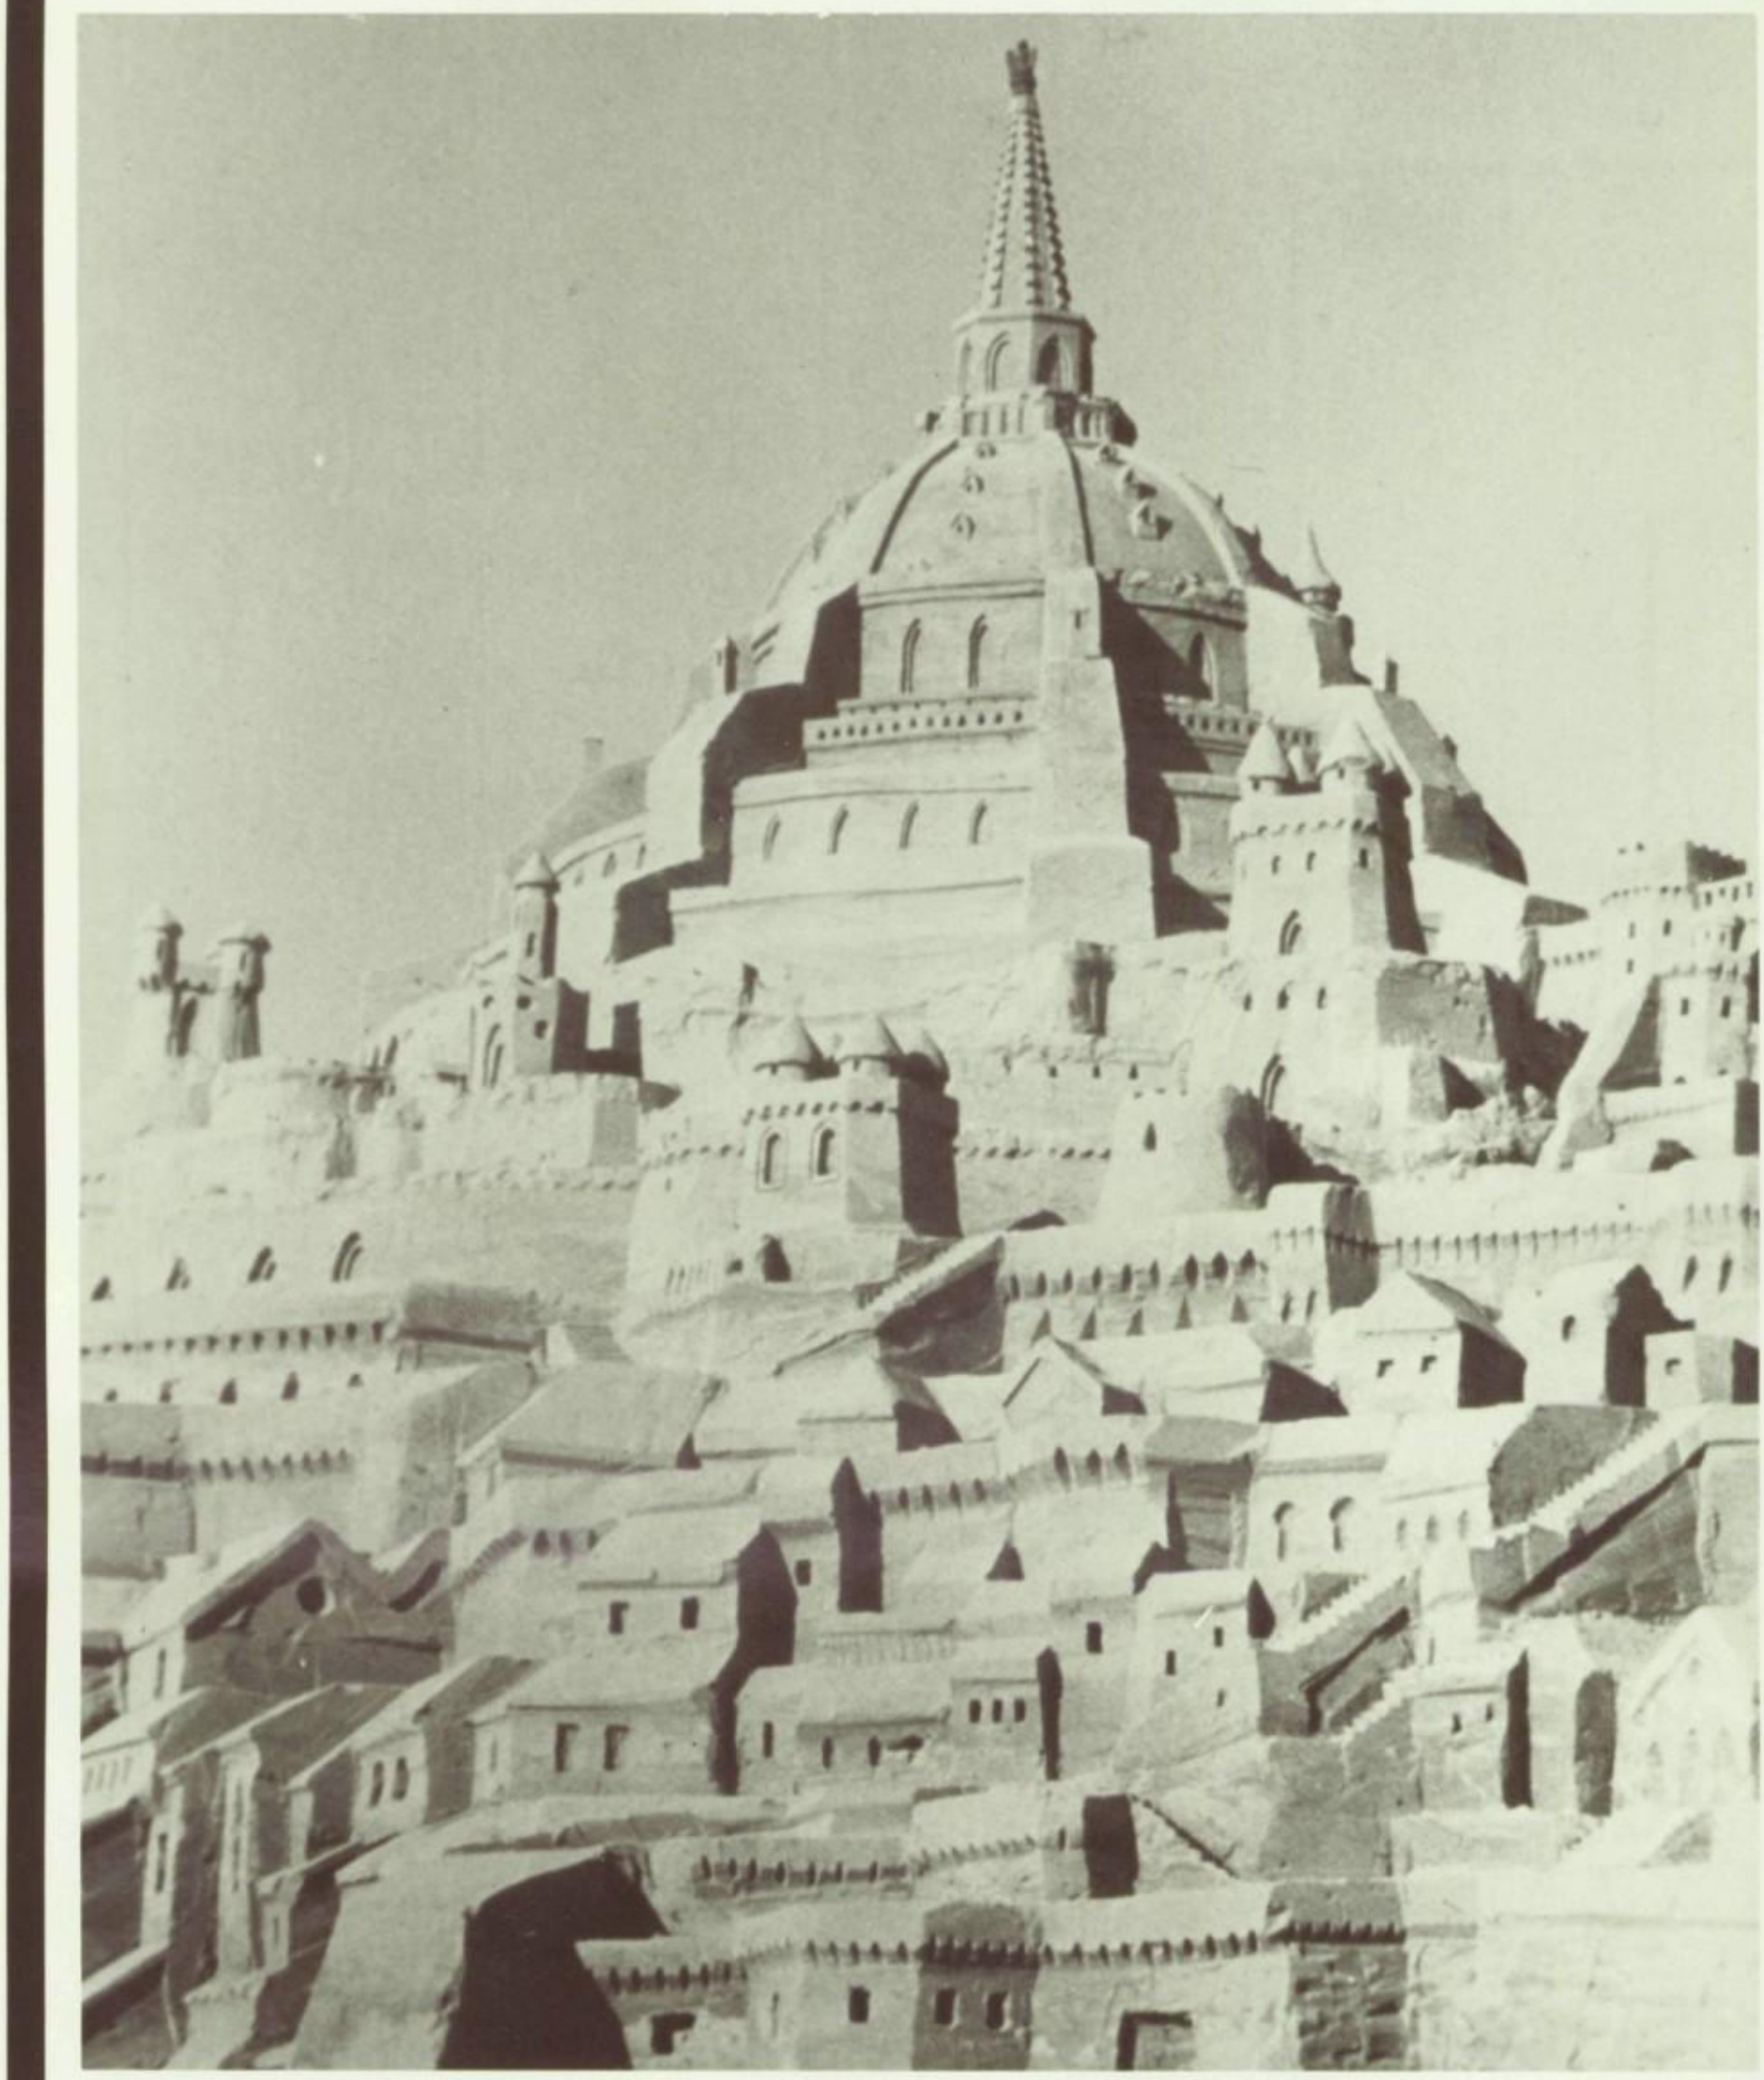
Prom: A Closing Night

As the school year for The Class of 1985 came to an end, the annual Senior Prom was held. The romantic setting of the Hotel Del Coronado provided that perfect touch of class. Couples took weeks to plan the evening and saved many paychecks to make all the dreams a reality, from formal dresses and tuxedos to expensive dinners and limousines. The evening of June 8th began at a nice restaurant where the conversation was geared towards the dance awaiting them. As the car approached the Hotel Del's parking lot stomachs fluttered and palms got sweaty. The rest of the night was spent dancing and socializing and of course comparing dinner and dresses. As the dance ended couples discussed where to meet for the After Prom or, for those going all out, at what hotel they rented a room for a small gathering of friends. While driving back across the Coronado Bridge no one looked back to the dance; now they were looking forward to the parties and breakfast. For this special occasion many parents extended curfews, and you can bet the kids took advantage of it. Though it was a very expensive night, the good times outweighed all of the sacrificing students went through to save for it. For you and your date, whether it was your sweetheart or a close friend, it will be a night you will remember forever!



First Class

Heather -

I have gotten to know you this year, and I can't say it wasn't fun. You have been a true friend when I needed one. I thank you for all that you have done. I hope you receive all you want from life and I hope you are happy forever. If you ever need someone to talk to, call me!

San Diego-a Growing City.

The last year revealed to many San Diegans that the nation's seventh largest city has truly graduated into the "big city" category. J. David Dominelli, accused of laundering several hundreds of millions of dollars that were invested in his company, and our Mayor Roger Hedgecock, accused of illegal campaign contributions and loans provided by his close friends including J. David and Nancy Hoover, provided financial and political scandal. We suffered the loss of 3 police officers and the tragic display of violence as 22 innocent people were killed in a San Ysidro McDonald's massacre. On a brighter note, the 100 year old Star of India sailed to her new port, and the Love Boat found a warm welcome in the confines of the Port of San Diego. The successes of the Padres uplifted the city. The now defending National League Champs battled their way through the season and capped off their year by adding new pinstriped uniforms in the off-season. The Chargers had a change in ownership as we watched their usually winning ways fall by the wayside. Although San Diego changed during the past year, both good and bad, residents still swear by that now omnipresent phrase, "America's finest city."

The Love Boat anchors in San Diego.

Gobal News.

Ethiopia: the starving nation.

Renewed patriotism of the American people, historical landmarks in the political arena, a thriller of an entertainer, and the quest for new frontiers in space highlighted our senior year. Viewed via satellite throughout the free world, the 1984 Los Angeles Summer Olympic Games proved to be an entertainment and economic success. Leading the United States Olympic effort were Mary Lou Retton, Carl Lewis, and the men's gymnastic team.

The 1984 presidential election rode the wave of patriotism generated by the Summer Olympics. In a historical announcement, Democratic presidential candidate Walter Mondale named a woman, Geraldine Ferraro, to be his vice-presidential running mate. Also in the headlines were Jesse Jackson and his Rainbow Coalition. Despite their efforts, 1984 proved to be the year for the re-election of President Ronald Reagan, who won in a landslide election, only losing Mondale's home state of Minnesota and the District of Columbia. The year brought a memorable event in American history: the second time a presidential inauguration had to be held indoors as a result of weather conditions in the fifty inaugurations. With temperatures below zero, President Reagan took the oath of office on January 21, 1985 in the rotunda of the capital.

Hope and hardships marked the realm of international politics. Good news came from Geneva, Switzerland where Secretary of State George Shultz and Russian Ambassador Andrei Gromyko met to discuss arms limitation and President Reagan's Star Wars Program. The assassination of Indira Gandhi by her bodyguards in India shocked the entire world.

At the same time, fantastic shows, medical breakthroughs, and sensational court cases took place in the United States. Millions of people came out to see Michael Jackson and the Victory Tour as it traveled throughout the nation. The space shuttle flew regularly scheduled missions, while for the first time an American astronaut floated freely in space. The entire nation also watched as Baby Fae lived two weeks with a baboon heart before medical complications took her life. The year also saw John Delorean acquitted of cocaine charges in a Los Angeles courtroom. America's united spirit once again came together to help an ailing cause. Ordinary citizens and companies across the nation helped to see that the Statue of Liberty would still stand tall. January heralded the opening of a second border crossing to Mexico. All in all, America's resurgence of vitality awaited the contribution of the Seniors.

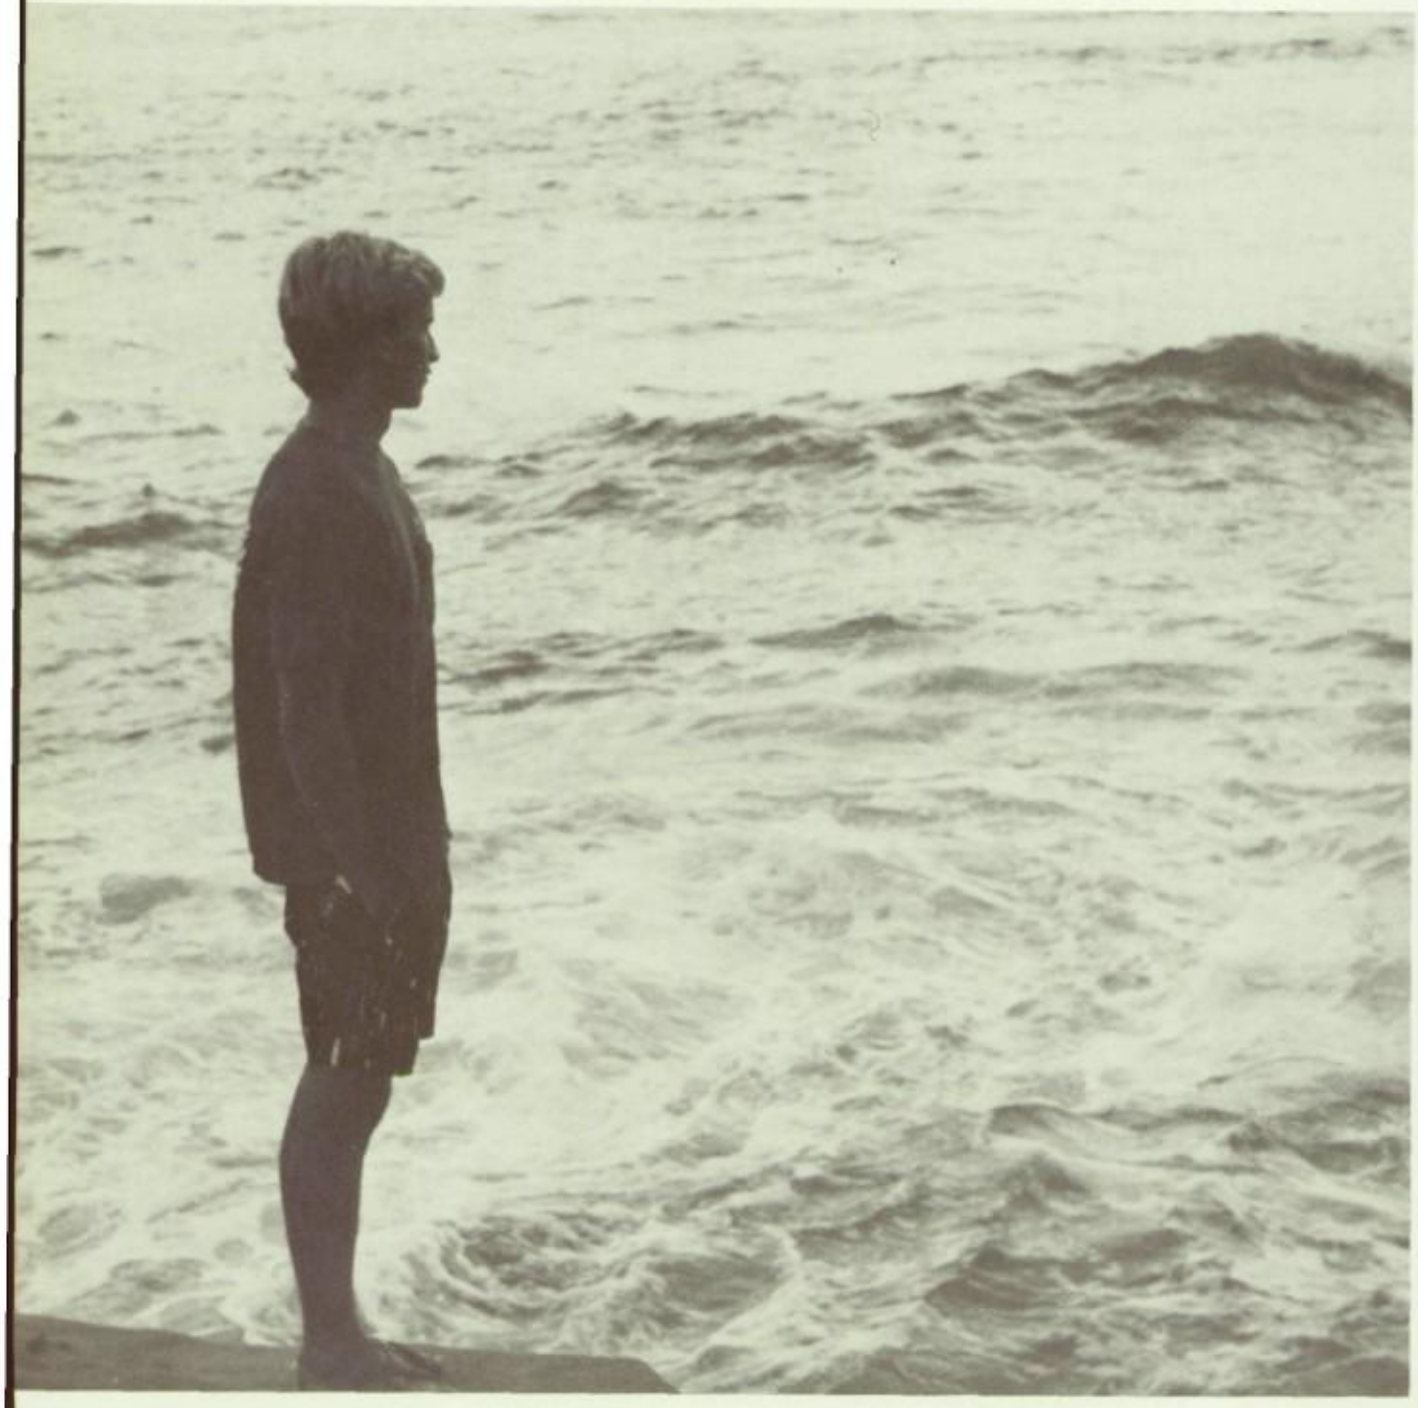
Fashion Making Moves at Mission Bay

Jeff Warner



Carla Gross

It didn't matter where you looked. Fashion prevailed at Mission Bay this year. Whether it was the quick-to-come and quick-to-go "day glow" or the simply traditional preppy outfit, fashion made its mark. An abundance of good dressers in all three grades blessed Mission Bay with diverse styles of dress. Maybe this year more than any in the recent past, Mission Bay students got caught up in the whirlwind of dressing like GQ or Vogue models and also dared to be different with their clothing color, hairstyles, and accessory selections. With the introduction of styling gels, which offered better manageability without that "greasy" look, hair could be seen shaped and sculptured in many variations. Accessories such as hats, scarves, and Swatches topped the list. Maybe the biggest news in fashion this year was fashion itself — the way it helped shape and distinguish the 1984-1985 school year.

T M R's Get into the Stream of Things

Jennifer Elder gives a big smile for the camera.

T M R students, ranging in age from 16-22, attend special classes at Mission Bay through a program which has existed here for the past 4 years.

Mrs. Gerrish and Mr. Bray teach the classes, with Special Education Assistants, Cynthia Gelay, Jane Burtan and Irene Woodall.

Some of the students have jobs and are doing quite well. They enjoy participating in school as well as outside activities, such as Special Olympics.

The class emphasizes skills used both in and out of school, as well as those which will be needed long after school ends.

Heather-
Aren't you so bummed - no more
suck ever! yeah! Did you learn
anything in that class? I sure
didn't! Thanks for filling me
in on all the gossip. Hope you
have a sunny summer here in
paradise ... you know where I'm
spending mine (in Wisconsin!)
See ya next year!
Love,
Jennifer Christensen

When voices fill my dream-filled mind, and in my thoughts, it's you I find . . . I wish you well

When memories of our times together bring a smile for the days we both still treasure . . . I wish you well.

When music plays and the words are true, and I think of melodies shared with you . . . I wish you well.

When holidays spark loneliness of being apart, and the feelings swell within my heart . . . I wish you well.

When photo albums show loved ones we both knew, and I recall the days shared with you . . . I wish you well.

Always know that my love is near, and also know that . . . I wish you well.

— from "I'll Always Remember You"

Ten At The Top

Each year the ten seniors with the highest grade point averages are acknowledged by both faculty and students. To be recognized as one of the top ten seniors is truly an honor. They represent the top 2.5% of their graduating class.

This year's top ten seniors not only represent the most dedicated scholars at Mission Bay but also the most active. While maintaining their high grade point averages they have been able to take part in various extracurricular activities ranging from Speech and Debate and student government to being members of the Jazz Ensemble and sporting teams. Many of these outstanding students are able to accomplish all of this while holding part-time jobs.

Mission Bay's top ten seniors bring pride, class, and dignity to the Class of 1985. Their hard work and determination will bring rewards in the future, and deserves congratulations from all of us.

Top row: Marc Phillips, Wesley Odom, Shelly Geiger. Middle Row: Scott Long, Melissa Caccam, Lindsay Sutton, Stacy Rohm. Third row: Damon Martin, Valerie Williams, Mike Lopez.

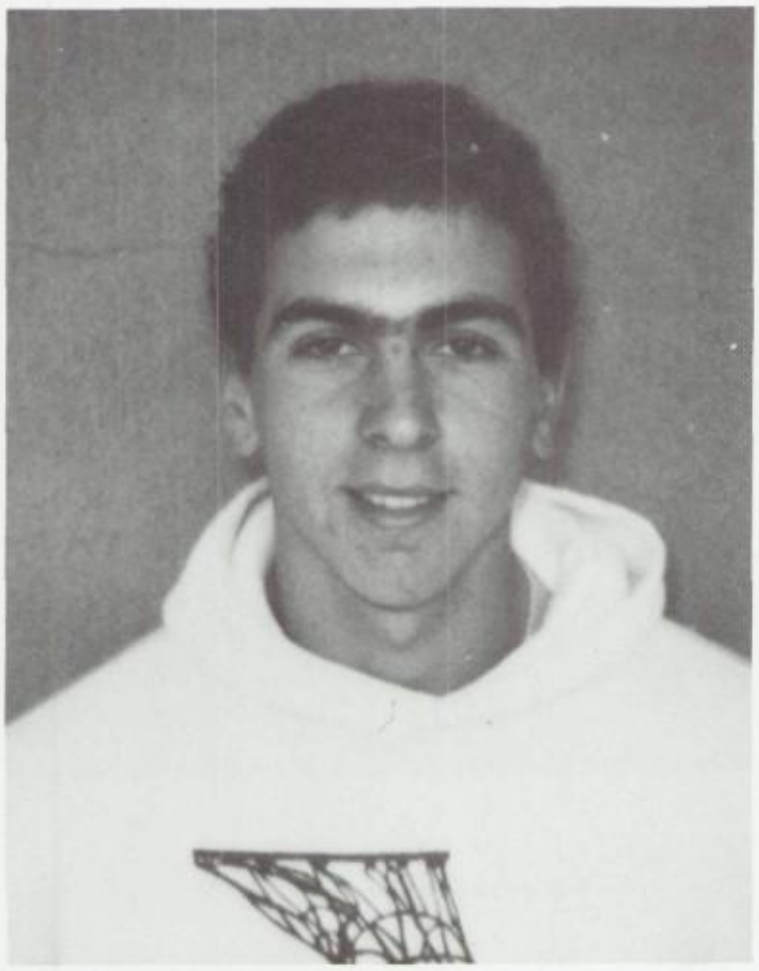
Outstanding Accomplishments

Girl's State

Every year the top girls in the junior class are brought together to determine who will be selected to represent Mission Bay at Girls' State. After narrowing the number down to five, a committee of both faculty and students selected Christy Drage as Mission Bay High School's Girls' State delegate. Selected as first runner-up was Michelle Kneeland and second runner-up was Susie McGrath.

Christy Drage will represent Mission Bay at a state conference in Sacramento from July 1 through July 8. There Christy, with delegates from each school in the state, will take part in a model government. Christy Drage will undoubtedly bring respect and recognition to Mission Bay High School through her participation in Girls' State. We all congratulate Christy Drage for her outstanding accomplishment.

Girls' Stater Christy Drage.



Boys' Stater Kyle Ketchum.

Boy's State

Almost as hard a decision to select Girls' State, is the process of determining Boys' State. This year's group of outstanding junior boys proved no exception. Similar to Girls' State procedures, the top boys in the junior class were brought together to talk about themselves so that the difficult decision could be made. After careful deliberation it was determined that Kyle Ketchum would represent Mission Bay High School at Boys' State. Chosen first runner-up was Justin Casady, with second runner-up being John Moceri.

Kyle Ketchum will take part in the Boys' State Conference in Sacramento from June 22 through June 29. There Kyle, with junior delegates from each school in the state, will form and participate in a model government. Kyle will have the opportunity to experience the American political system up close and personal. Last year's Boys' State representative was Scott Long, who says it is a wonderful chance for someone to learn while actually taking part in an outstanding program. Kyle Ketchum will bring recognition to Mission Bay High School through his great achievements in both the academic and athletic fields. We all congratulate him for his Boys' State selection.

Outstanding Selections

Mission Bay's National Merit Finalist for 1984-1985 was Melissa Caccam. She earned the chance to compete for national scholarships based on her high SAT and PSAT scores.

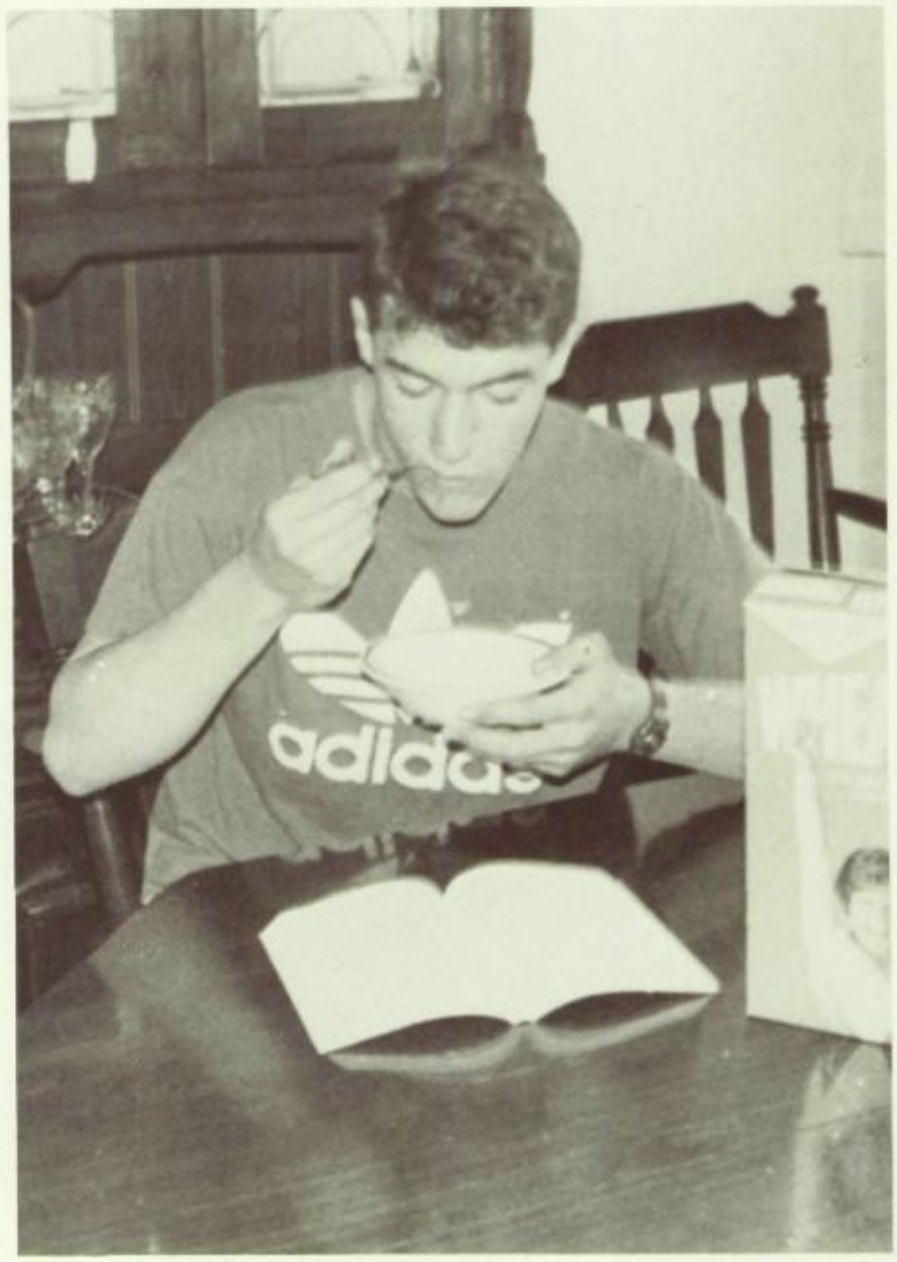
Each year the PTSA honors those persons who have provided outstanding service to the school. Shown here with Principal Bal Urrea, this year's recipients, Janet Dort, PTSA President; Robert Engberg, computer teacher; and Sharilyn McSwan, English teacher, will have scholarship contributions made in their names.

Arlene Lee and Javier Rodriguez attended a conference in Washington D.C. and Valley Forge, Pennsylvania. While there they toured many historical monuments. This opportunity was awarded for outstanding achievement by the Freedoms Foundation.

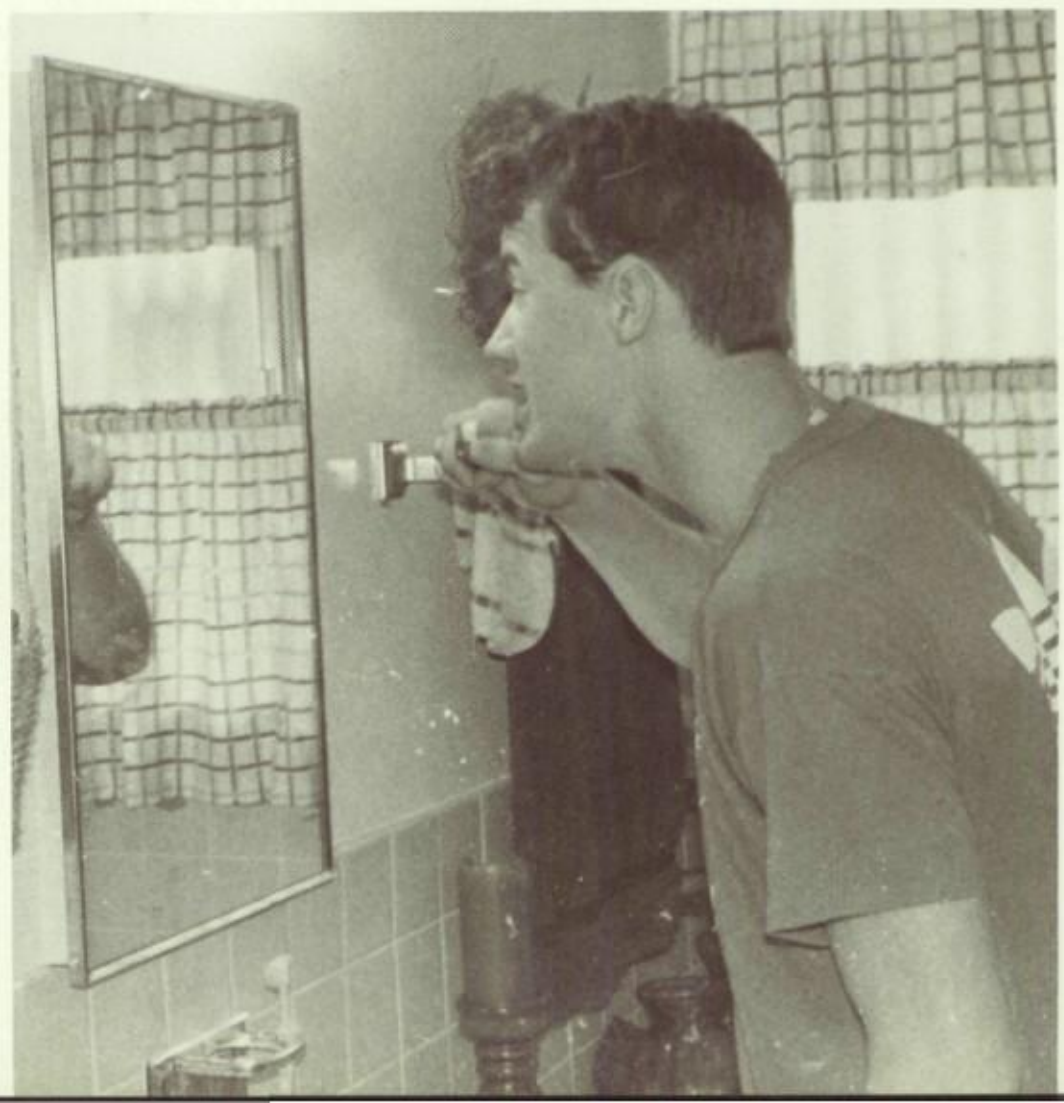
A DAY IN THE LIFE OF A SENIOR . . .

"Real" Seniors eat Wheaties.

Our Senior never sleeps alone.



Seniors are always concerned about personal hygiene.



A Senior's life is anything but glamorous. Take for example our "typical" Senior pictured here. As you can tell already, he is very dedicated, and strives for excellence, like any Senior. Rarely do seniors cheat, leave campus without permission or even sleep without doing the homework that has been assigned to them. As Seniors, it is your responsibility to set good examples to the underclass as well as your fellow classmates. No doubt, this Senior class will be remembered for many years to come.

WHOOPS! a test next period.

M.B. Golfers: Up To Par

Due to increased student interest in the game of golf Mission Bay for the first time in four years was able to have a golf team. Through the efforts of Mr. Richard Wery, father of junior Paige Wery, Mission Bay offered to students the opportunity to take part in a sport that has grown in popularity over the past few years.

Calling Torrey Pines Golf Course home, Mission Bay went up against top ranked teams in the league, including University of San Diego High School and La Jolla High School. With top players Paige Wery, Mike Tokisawa, Laura Autio, and Mark Klingler, Mission Bay remained steadily in the top four throughout the season. Coach Wery commented that he noticed great improvement in his players from tournament to tournament. He was very optimistic about the future of golf here at Mission Bay and hopes that they are building a strong golf program for Mission Bay in the future.

Mission Bay is finally a contender in Western League golf play. This year's team showed great dedication and talent which gained them the respect of their competitors. Although this year can be considered a building year, they will definitely be a strong team in the years to come. One never knows; there may be another Tom Watson or Jack Nicklaus who will get their start here at Mission Bay.

CAREER FAIR GIVES IDEAS

This year, as in the past two years, Mission Bay's Magnet Center provided students with the chance to learn about possible career fields to become involved in. There were eight possible sessions to enroll in. These sessions were "Careers in Graphics" "Your Own Business — The American Dream?", "Your Future in Graphics" "Interior Design Career Opportunities", "Commercial and Industrial Marketing", "Retail Careers for the 80's", "How to Interview for a Job", and "Architecture/Drafting/Engineering." Of these eight, the students were allowed to choose three. The seminars gave students ideas for future career choices. Not only did students get to listen and speak with successful adults, but the seminar gave them a vacation from their pre-lunch classes.

A Neiman-Marcus employee explains a correct application.

When asked of their opinions about the career fair many said that they were glad they enrolled in the sessions. Because of the success the fair had this year, it will undoubtedly be held again next year. Thanks to this great learning experience many Mission Bay students are now more certain about their previously nebulous futures.

Thirty Years of . . .

. . . Dedicated Teaching

Ms. Malley almost thirty years ago and today.

For the past thirty years Ms. Joan Malley and Mr. Walter Zmolek have dedicated themselves to the students here at Mission Bay High School. They have seen Mission Bay grow into the school it is today. Mission Bay students and teachers alike thank these two outstanding teachers for their excellence and commitment to Mission Bay High School.

Mr. Zmolek almost thirty years ago and today.

Ms. Joan Malley

Q: What has changed at Mission Bay in the last thirty years?

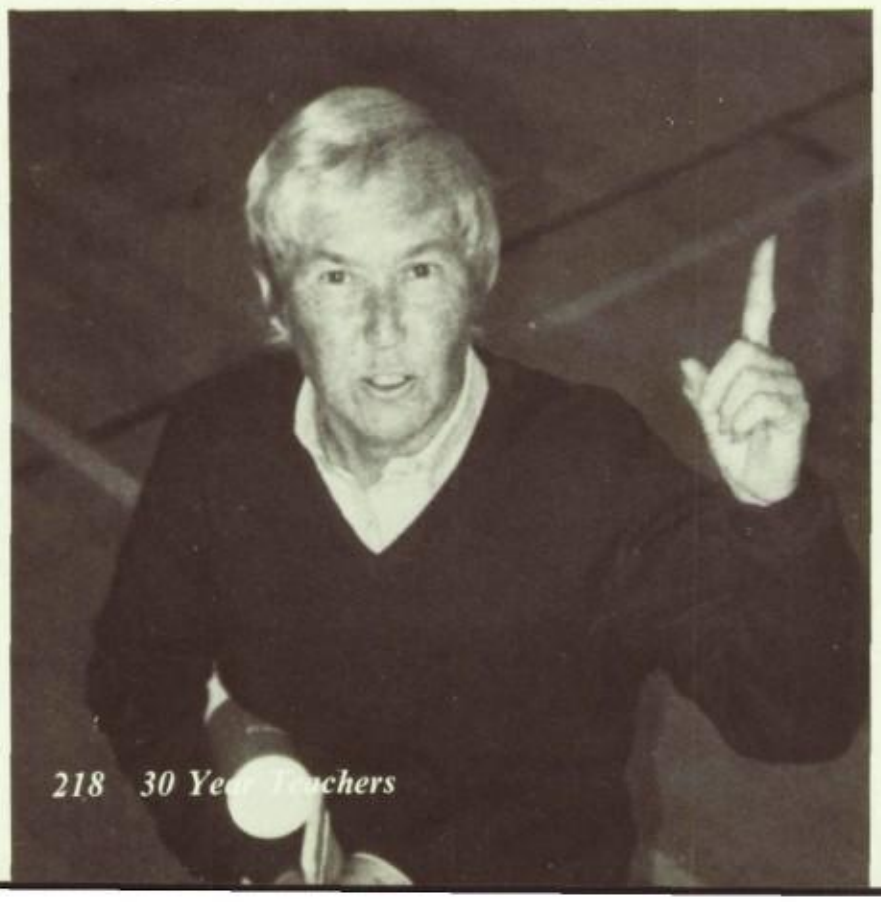
A: Not much has really changed. They're still a great group of kids.

Q: What brought you to Mission Bay?

A: I signed with S.D.U.S.D. and was assigned.

Q: What are your plans for the future?

A: Early retirement and running a dog kennel.



Mr. Walter Zmolek

Q: What was your most memorable experience at M.B.?

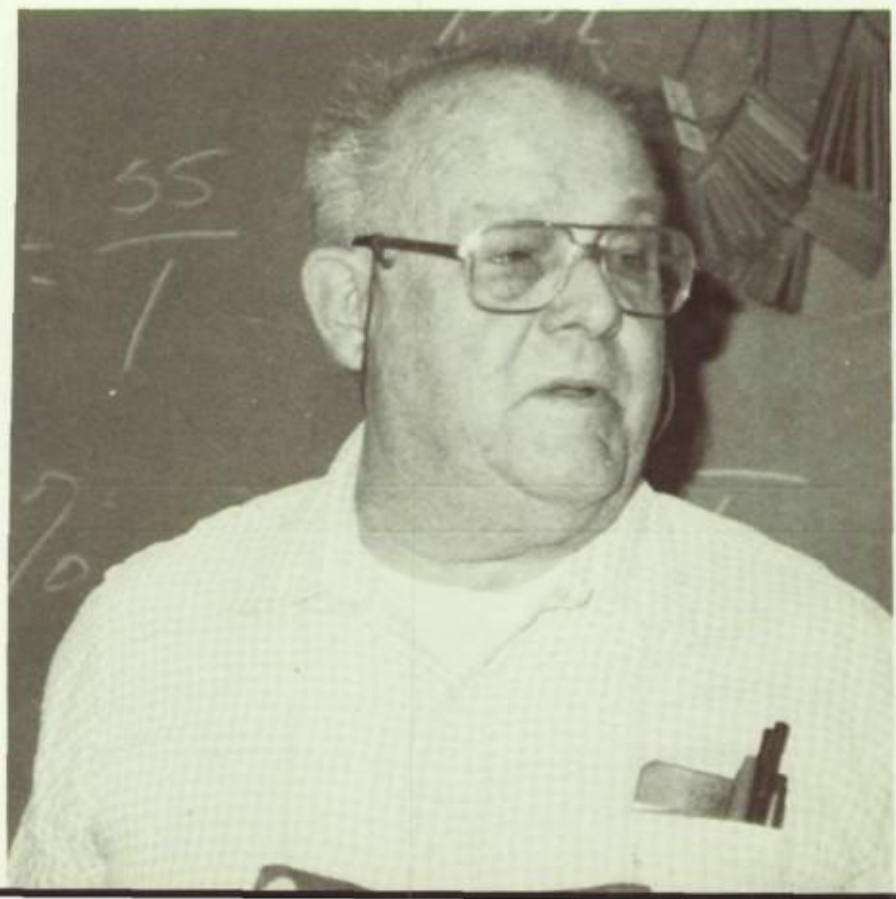
A: Accomplishments of the students: Mark Johnson, Kevin Mishe, John Wilding.

Q: Future plans?

A: I think I'll go on for a while yet.

Q: What one word would sum up the last 30 years?

A: Enjoyable. It was fun to see people learn.



End of an Epoch

This year, we at Mission Bay have witnessed a change that will have a tremendous impact on the school next year. This was the last year that Mission Bay will have three grades. Starting next year, Mission Bay will inherit the ninth grade as well. This will put the population of our school to over 1600 students. Do not be alarmed. Mission Bay will have bungalows added on our campus in one of the sites pictured here. This marks a new era for Mission Bay, enlarging the student population, and presenting a challenge to the administration. Not only will Mission Bay lose the graduating Class of '85, but the three-year high school system that we once knew.

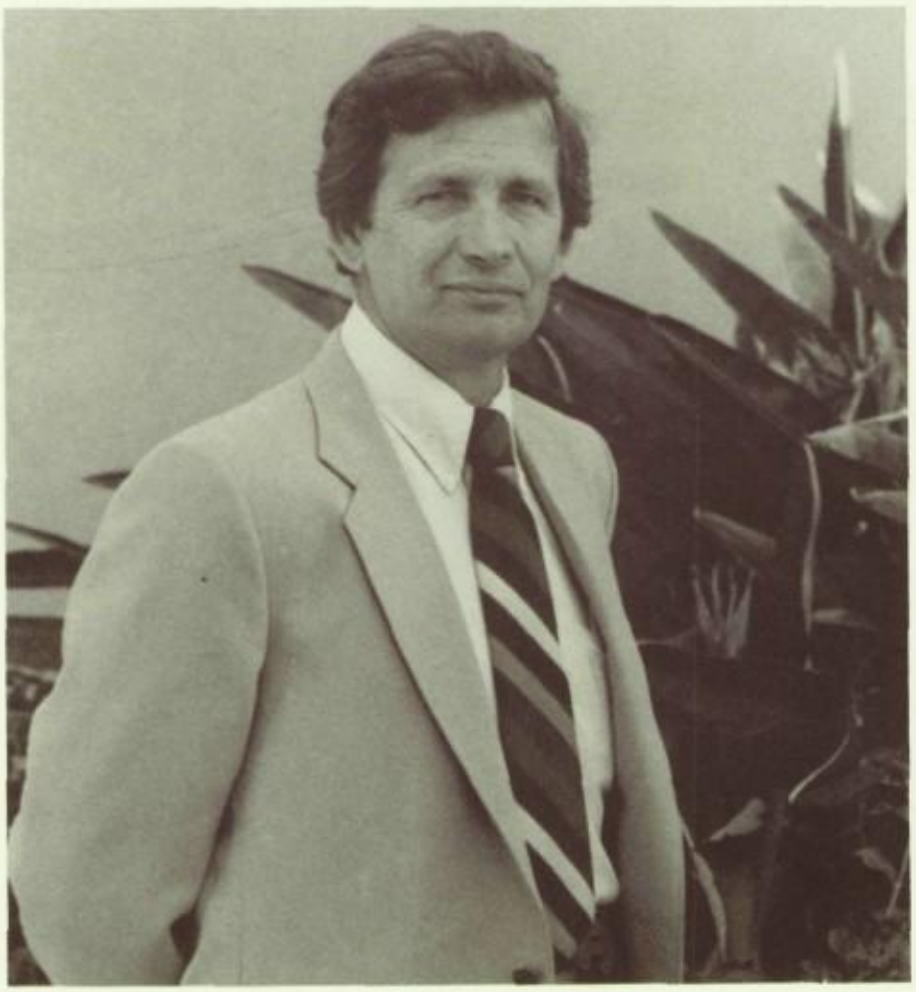
The Main Leaders of the School:

Tom Patton, veteran vice principal.

You studied, learned, participated, contributed and made a difference. You are leaving us with some grand memories. In this year of high expectations, you blended serious academic achievement and participation in sports and extra curricular activities with a sense of pride and maturity. Your friendships and contributions have enriched the history of our school. You have shared in shaping what Mission Bay High School stands for. Now take the future and let it be yours. We wish you continued success in all your years beyond graduation.

A fond farewell and best wishes,

Balvanera Urrea



Allan Peck, new vice principal.

Balvanera Urrea, Mission Bay's new principal.

Advisers of the People

Pete Terrana, counselor A-J.

Iris Garcia, counselor Mc-Z.

Stephen Stangland, Magnet counselor.

This year as they have done in the past, the counselors have done the impossible. They assigned our great courses and then changed them if need be. They helped us whenever we had a problem with classes and gave suggestions for our future. Assisted by Betty McGovern, district counselor, they guided us through the game of life.

Paul Asbury, head counselor and K-Mc.

Making Mission Bay what it is.

The many men and women who make up our secretarial staff at Mission Bay steer a tough course. They attend school even when we do not and courteously handle attendance, answer phone calls, deliver mail, and help with our personal needs.

Without the assistance of our cheerful and helpful librarians, Mission Bay students would find it more difficult to write those research and term papers or simply to find the book they need.

Custodians keep track of supplies and clean up after us in halls and lunch areas along with leaving our classrooms sparkling clean and shining.

Cafeteria workers make nutritious and delicious breakfasts and lunches that keep us satiated. Their famous desserts keep the lunch lines long. 11:05 a.m. not only means 35 minutes of freedom, but a chance to sample a gourmet's delight.

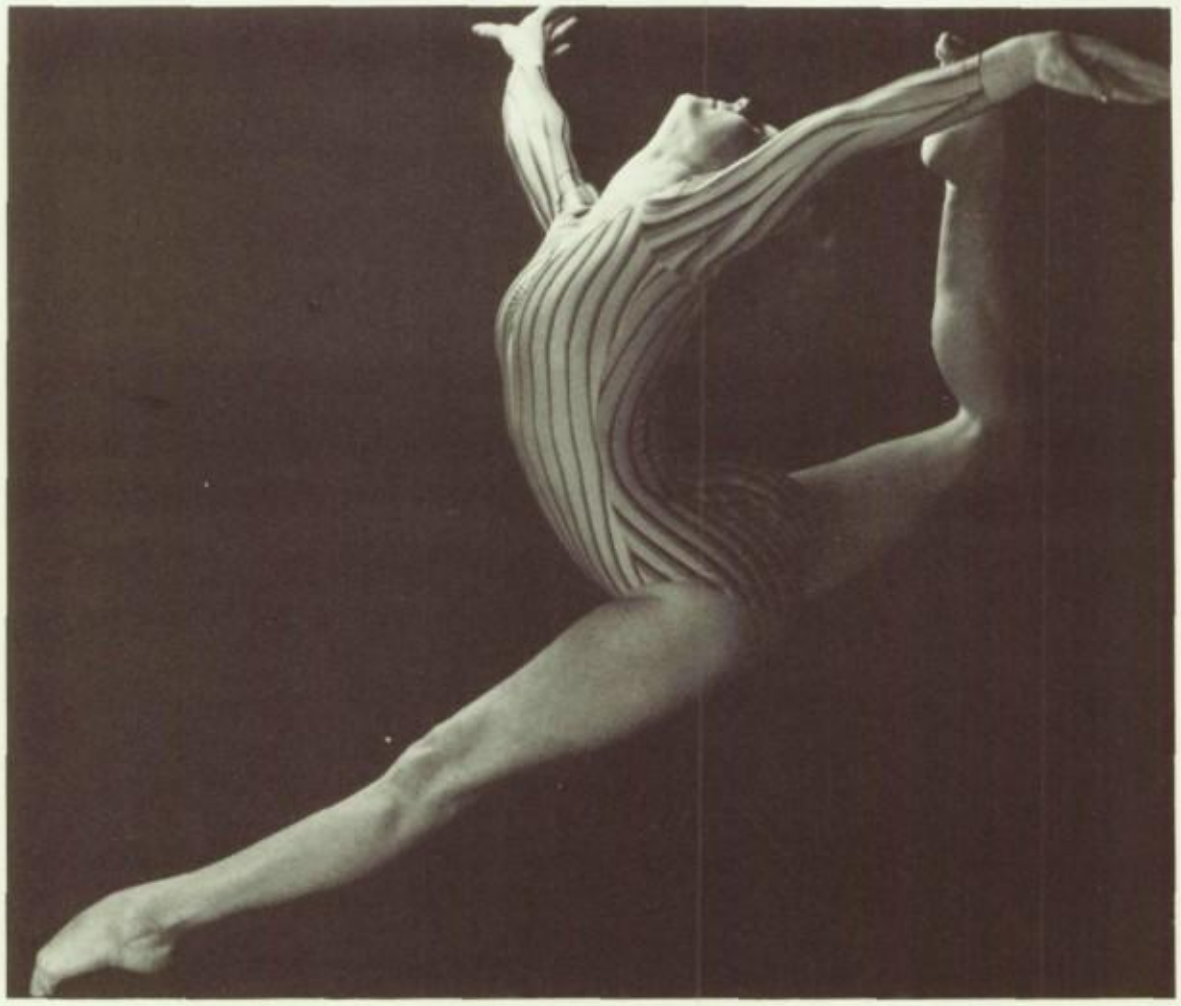
After Hours

Outside the parameters of Mission Bay High School, students have acquired many interests such as work, sports, and various hobbies. Shown on these pages are a few of these multitalented students who have excelled in their various extracurricular activities.

The annual staff would like to thank Hotel Del Coronado for their hospitality in allowing us on their grounds and the La Creme Limousine Service for the first class transportation. We are deeply indebted to the Star News for their graciousness in providing us with their photographic assistance.



Mission Bay's own Janet Steed excels in gymnastics.

At Taco Bell it's made just for you, probably by an MB student.

Gloria and Susie actually eat the school food!?

Pierre Stroot, a biker with a keen ambition to be #1.

Currently seeking a spot on the 1985 Junior World's Racing Team is Mission Bay's own Pierre Stroot. Pierre has already placed seventh in the nation for the pursuit division, third in the State for the Points Race division, and second in the State for pursuit. Pierre attended the Olympic training Camp in Colorado last summer. Pierre's main goals include participating on the 1985 Junior World's team and placing well in the upcoming National Championships. From Pierre's past record it is beyond a doubt that he is well on his way to a winning season.

Parents Celebrate Seniors

Monica Abat: For three years you've been learning, growing, and preparing for a new phase in life, either at the college level or in the job market. Whatever you choose, I wish you great success, joy, and most of all love. Mom.

Nicole Anderson: Congratulations for all the years of hard work and good grades! You have always made me very proud of you, and I hope your future brings you all the happiness you truly deserve. I am very lucky and truly honored to have you as my daughter. Enjoy your trip to Europe this summer!! You deserve it!! All my love. Mom

Suzanne Berger: Suzi dear, I am so proud of you, not only for your graduation, but most of all for being such a beautiful person inside. Keep up the good work! Taffy says, "Way to go!" I love you very much. Mom

Carolyn Brabant: Congratulations on your success in school. I know success is yours in what ever you do. Love always. Mom

Cindy Brown: Senior in high gear! Thanks MBHS. Cheered three great years of volleyball — GO BUCS! Win one for mom! Whole family proud — you light up our life! Congratulations! Dave, Sandy, Jim & Sue. P.S. Look on stairs for great surprise!

Lisa Burns: You're an important part of our lives. We realize it's time to experience life, but just remember to be your own person. Dad and Mom will always care. Do your best always. Endless love, Dad & Mom.

Chris Butler: We think you're real special! Congratulations on your hard work and efforts. Love, Mom & Dad.

Laurie Cairncross: Knowing you is something we want forever! Happy graduation and love from Fanty Sandy & Funkie Dave!

Laurie Cairncross: You've come a long way baby! Hang in there and with your many outstanding talents you can do/be/have whatever you set your mind on. Enjoy your college years to the fullest. Happy memories will last you a lifetime. Love ya, Mom and Dad.

Laura Callendar: Unbelievable horizons are opening before you, Laura — grab hold and hang on because this is just the beginning. You are a ray of sunshine in our lives and will be missed. Go get 'em! Love, Mom & Dad.

Melissa Caccam: From Pee-Wee to BH to Super Senior, love and happy graduation from Sandy & Dave Brown!

Tammy Candela: Bet you thought graduation would never come. We are extremely proud and wish you nothing but happiness. June 26th! 18 at last! Happy Birthday. You can pick up your suitcases in the driveway. Marry a rich guy! Love, Mom and Dad.

Scott Chambers: We love you and are very proud of you. In the Navy and in life may you always have smooth seas and the wind at your back. Remember Jesus loves you and we do too. Mom and Dad.

Jeane Doering: Spunky, fun, outgoing, dynamic — a sheer ball of energy you have always been. A joy to your family from the moment you were born! Now the future is yours; grab hold and go; remember the sky's the limit!!! WE LOVE YOU, Jeanine.

Jennifer Dougherty: It has been a grueling and expensive twelve years of schooling. Never forget everything I have done for you. Ever I love you. Mommy Dearest

Brian Drage: To a son who worked hard, studied hard, and played hard. We are proud of you and wish you the best of luck in the future. Mom & Dad Drage

Anna-Karin Enbom: We wish you the very best in your future. "Lycka till" We love you, Mom & Dad

Shelly Geiger: Life is a journey and the quality of it depends on the quality of one's decisions. Success is not measured by the achievement of the destination but by the making of the journey. Success is failure turned inside out! Barbara Geiger/John Banks

Steve Gomez: "You are my son, and, as the years go by, time will change and even reverse many of your present opinions. Refrain therefore awhile from setting yourself up as judge of the highest matters." — Plato

Tim Gould: Congratulations Son! You're about to start, down the path, to the door of your future. Son, you hold the key to your future, in your heart. Dad and I will stand by you Tim, to give you our love and support.

Joshua Grimes: We expect great things from you in college! Good luck in your future tennis. Have a good time in Australia. Don't stay too long. We're proud of you. Mother & Father, Bonnie & Lyle

Greg Grassman: Looking for tomorrow will not be an easy task but, if you keep on trying, you'll see your hopes unmask. And as you seek to find them each one becomes a part of all you have strived for deep within your heart. Love, Mom/Dad

Adriene Henderson: Be yourself! Pressure from within and without will seek to change you. But through Christ who strengthens you, You can change things. Always have confidence, patience, and courage. Love always, Dad, Mom, Leron and Devin

Rodney Henderson: Thanks for the excellent grades, and for providing great entertainment with your fantastic basketball playing. You are our M.V.P. We love you and are so proud of you. Mom, Dad, Karen, Clark, Doug & Keith

Nancy Johnson: Good luck to our "itto gwerl." We love you and are with you whatever you do. Mom and Dad

Roy Jones: You've provided us with some great entertainment for eighteen years. Now it's almost time to take your act on the road. Remember success comes in many forms. Go for it! You're a fine son. Love always from your biggest fans. Mom and Dad

Barbara Knowles: These few lines represent a million words of wisdom and experience, scripture, tradition; truths I wish to share with you. And, oh, by the way, I love you. Stay happy. Love, Mom & Dad

Ken Krause: You've grown into a man that we're very proud of. We wish the best for you always. Mom and Dad

Lance Larson: ONE OF A KIND! (Thank goodness, the world couldn't handle two of you.) We are extremely proud of you and you WILL be remembered by your achievements! Always, Mom, Dad, Sharon, Cyndi, Steve, Skip and Sunny.

Carla Lloyd: Congratulations. You finally made it, senior. Hope you do well in your ministry. Love, Mom

Marny Manner: As you journey into the world we hope you will achieve all that you hope for in life. May your happy memories keep you "warm" in times of strife. All our love, Dad & Lynne

Damon Martin: We wish to extend to our son, Damon, our love and best wishes for success in his academic career; our gratitude to his teachers for their inspiration; our thanks to a caring school administration which provided fertile ground for his development. Frank & Jean Martin

Heather McMaster: Our "Tiger Lilly" — reach for the joy that comes with each rising sun. God Bless you. Love, Mom and Dad

Michell — Mechell — Mitchel and Mitch MILLER: You've come a long way baby — To my beautiful — last child — who finished FIRST. HAPPY GRADUATION DAY. Love, Mom

Matthew Nilson: "We wish you all success, happiness and prosperity. Keep in mind that those depend mostly on how YOU strive for and create YOUR own type of future and career. We'll be there if you need us for help or advice." Dad, Mom, Monica

Christopher Piatt: After all this time "WE" made it. Maybe I will go back to school and then you can ask me daily if I did my homework. Thanks for being my best friend. Love, Mom

John Rasimas: A Saturday night warrior, special son, special friend. We're with you now and forever, a choice you made before your trip began. You bring enjoyment to our lives and set an example to your sister. This is the beginning. Thanks, Mom, Dad & Michelle

Steve Ramsey: Set your goals high, but also realistic. Pay close attention to your goals, and you will succeed. We wish you lots of success in college, track, and your career. Train hard, and you will be in the '88' Olympics. We love you, Mom & Dad

Jennifer Reighley: We love you and we are also very proud of you. We hope that you remain the happy and lovely girl you have been the past 18 years. Much luck and success in your endeavor. Love you, Dad and Mom

Juan Ruiz: "Whatever you are by nature, keep to it; never desert your line of talent. Be what nature intended for you and you will succeed."

Patricia Liana Sallave: Dad and I want to wish you the best of life possible upon your graduating from M.B. You are loved very much. Congratulations, Mom & Dad. P.S. Aloha Camille

Lisa Shuler: You are a special person. We love you. Mom, Dad, Laura, and Debra

Diana Sesslar: "Good luck Diana — as you leave your high school days behind, may the future be bright for you." Love always, Mom, Dad and Darrin Richard Shaw: Congratulations Rich! Your school spirit, sports participation, sense of humor, Diploma, and most of all "just you" have made us truly proud. Build on this outstanding effort and set your sights high, for there is no goal you cannot reach. Our very best . . . Mom and Dad

Lisa Speare: Congratulations to a wonderful daughter. Her parents are very proud of her. Love, Mom & Dad

Laura Tharp: Congratulations! We are very proud of you. By the way, while you were at school today we moved with no forwarding address. Love, Mom and Dad

Candice Taylor: We're very proud of all you do, but we love you just because you're you. Mom and Dad

Scott Unger: S.C.O.T.T. means successful, confident, outstanding, talented and terrific! We send you GOOD LUCK for a bright future. Mom and Dad

Kristan Wagner: To a super daughter. We wish you success, happiness, and a wonderful life. We love you, Mom and Dad

Cristian Tracy Walker: Congratulations! You made it through thirteen grueling years of school. Tho' you thought it couldn't be done when you look back you'll remember the fun. There's a bright new future waiting for you if you study hard and stay in school. Plan your work and work your plan do the very best you can. For me you rate a #1, I'm proud to say "That's my son!" Love, Mom and Gary

Melody Warren: Melody the pleasure you have brought me the past 18 years has been one of the joys of my life. Mel go for the best, you deserve nothing less! Luv, Yr Mom

Jeffery Williams: At last — You are there! Very proud of you. Good luck in your goals! Luv, Mom

Joe S. (Dufus): Through ups and downs, you have always been strength in my life. May success and happiness follow you. Love Ya, Mom

Who Done It!

The 1985 Taroga, Volume 29, was printed in Marceline, Missouri by the Herff Jones Yearbook Company. The book was made up of 8½ x 11, 80 lb. Bordeaux paper. The endsheets are pictures of the Pacific Beach Pier. The cover is a standard cover with a 4-color picture with a 2 pt. tooling line surrounding. "First Class" was the theme, which was decided upon by the '85 staff.

The Opening and Clubs and Activities sections had sixteen pages full color, eight pages of process yellow, and eight pages of ultra green. Headlines were printed in 36 pt. Times Roman Bold Italic, subheads were printed in 24 pt. Times Roman Bold Italic; body copies were printed in 10 pt. Times Roman Bold Italic while captions were printed in 8 pt. Times Roman Bold Italic. Dropped Letters were printed in 36 pt. Times Roman Bold Italic and the folios were printed in 10 pt. Times Roman Bold Italic. Division pages used 72 pt. and 36 pt. Times Roman Bold Italic with a 12 pt. tooling line surrounding the entire layout.

Underclass pictures were taken by Campus Pictures, while Senior Portraits were taken by Busco-Nestor Studios. Busco-Nestor Studios also furnished photographic services and supplies throughout the year.

The Yearbook Staff wishes to express its sincere gratitude to the contributing writers and photographers, John and Denny, Bruce Smith, The Hotel Del Coronado, LaCrem Limo Service, the Beach Press, and Mr. Scott, not to mention our advisor Ms. Lawlor.

Welcome to Reality

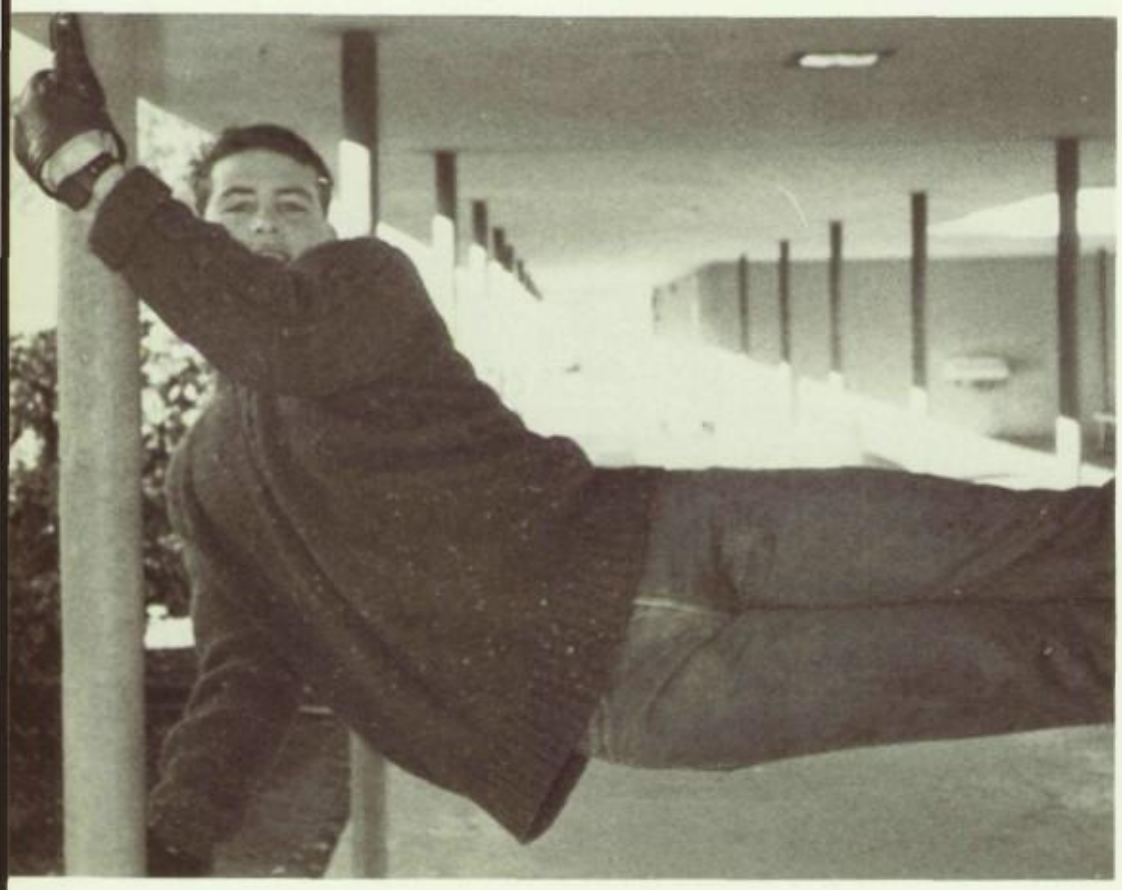
Lisa Nicks is sugar and spice and everything nice.

Last Week: signing yearbooks, returning books to the library, looking for the ones we lost; Senior pranks visible as the legendary weed patch is filled with various articles from around San Diego; Parties becoming a daily activity.

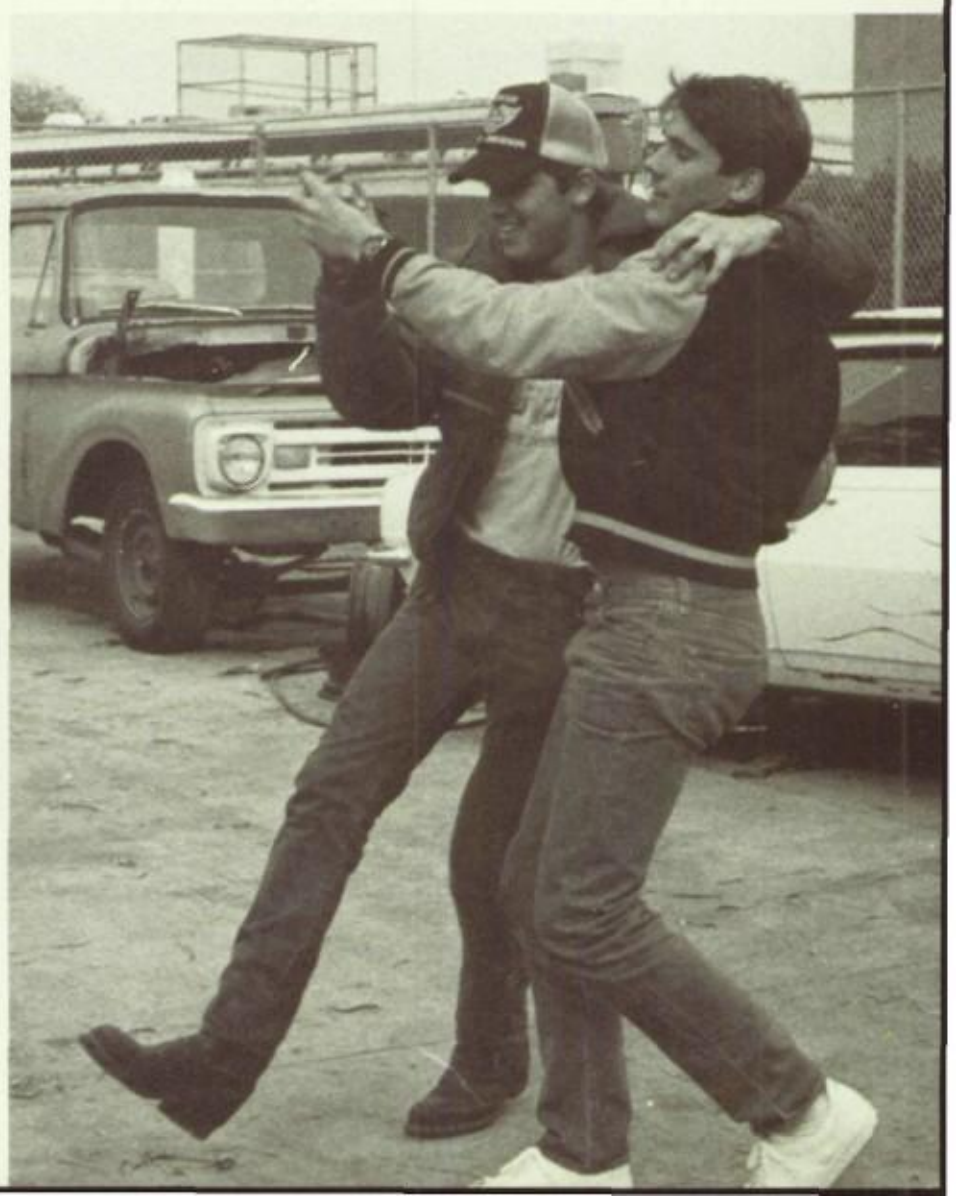
Last Day: Sophomores are giving thanks that they are finished with their first big year. Juniors are excited about becoming Seniors. Seniors are saying "It's over . . . I can't believe we're graduating!!??"

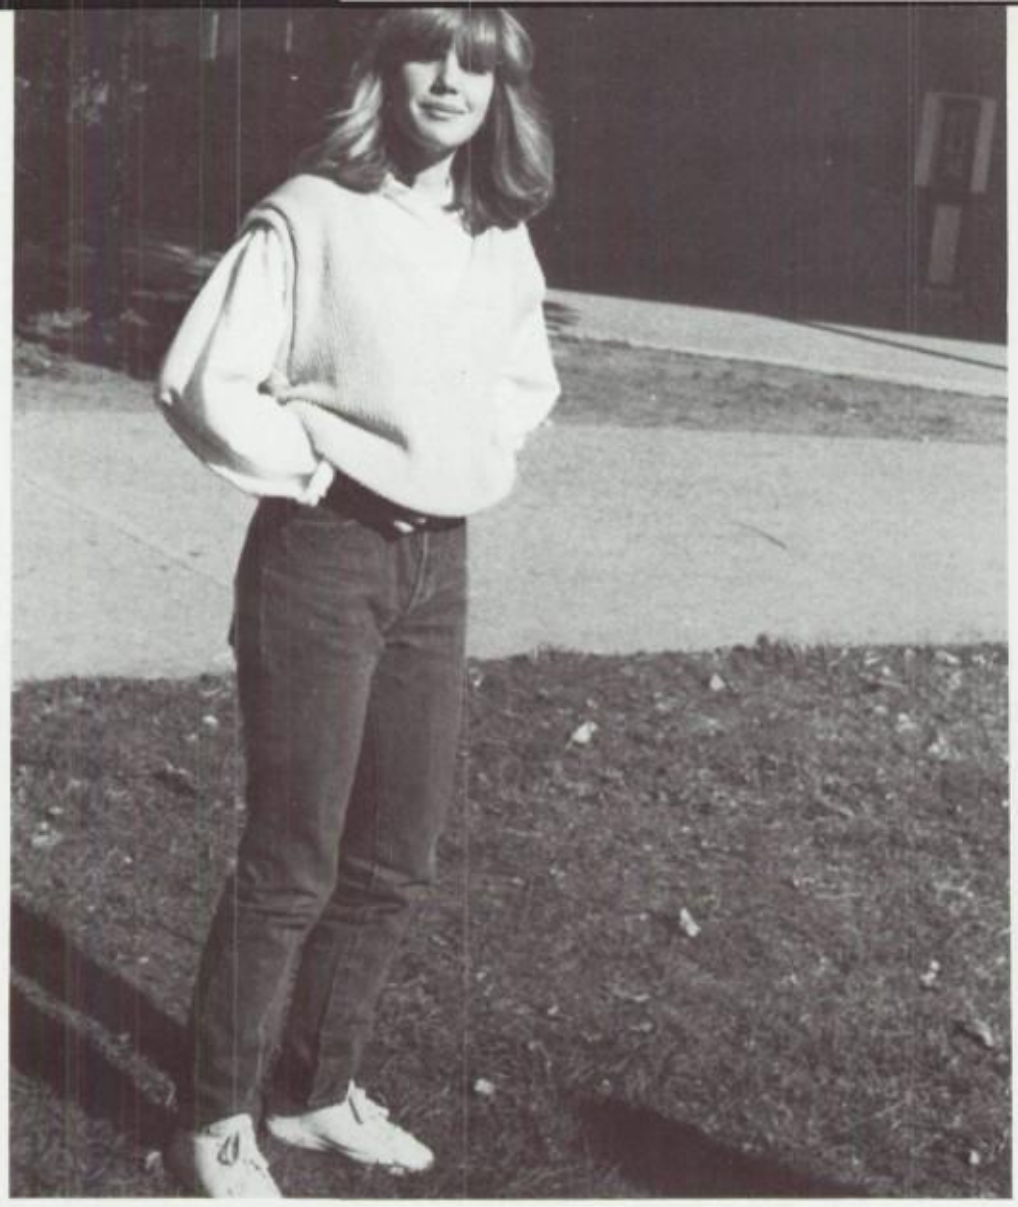
Last Hour: P.E. lockers have been cleaned out; papers are strewn down the halls producing oceans of white; students are seen eyeing the clocks more than ever. Friends are making plans to go to the beach and the overall feeling is, "YEAH!"

Steve McEnroe says, "Look Ma, No Feet!!"



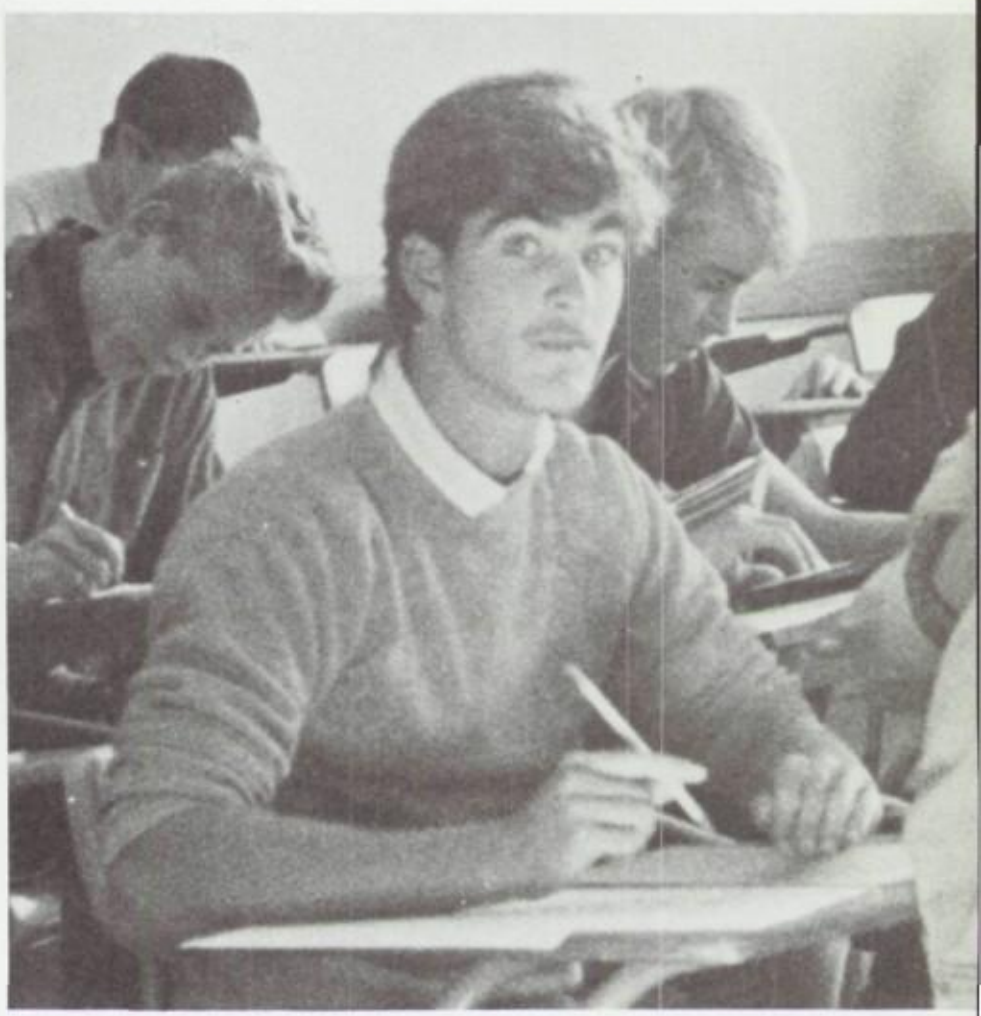
Dale Martin and Dan Milhouse danced the year away.





"My zipper isn't open!" exclaims Wendy Dush.

What are the answers to #3, 12, 23, and 43?

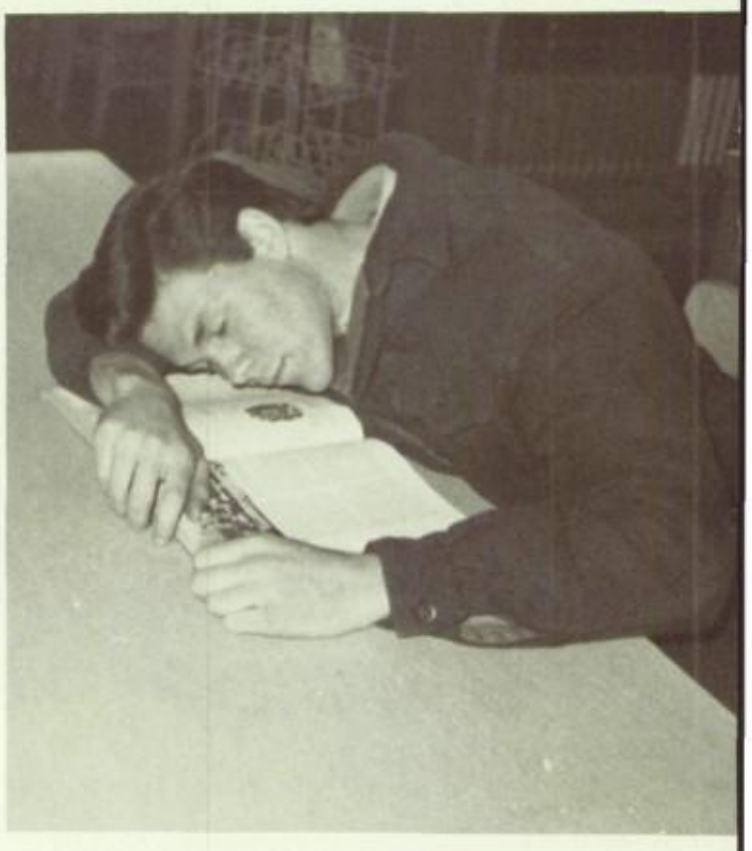


Norma transfers one more call to the attendance office.

"What is this madness??"

John Dort is an example of Senior sanity.

Aric Stimpert is "Sure."



Mitch, Mary, and Matt just relax on the scooters until lunch is over.

Senioritis hits Rodney Henderson as he snoozes between paragraphs.

"reserved"

Dear Heather,

Hey chick! We survived the year! Wow, I didn't think I'd find someone with a dirtier mind than mine. Boy was I wrong. This has been such a gooey year! Too bad I was so picky about guys, I could have had a good year! So, how many guys have you liked this year? 10? 15? or 20? Probably 30. You're like me. Fickle! I'm so glad we're friends! We've shared alot of juicy secrets! The biggest about "you know who". It was fun, huh?! Well, you and I had some pretty good times this year (and a few bad ones, also!). This summer we'll have to get together and jump on some surfer bones.

Love always,

Hey Love

Heather darling,

Wasn't convention just a total blast. But I'm real glad I got rid of Rick cuz I wasn't going to join in on the bed hopping. I just can't believe that he sucked his collarbone, how bizarre. But Aaron was cute wasn't he. Poor Christ though cuz he totally wanted to kiss me but he wouldn't get to cuz I wouldn't let him. Best yet I'll be even better cuz Hawaii here I come. Yeah, Hooray. Watch out guys, they'll never know what hit them, she's this summer and I just have to meet Kary and Scott. They sound like fun.

Love

P.S. My phone number finally Arlene Lee

is: 276-2680.

DON'T FORGET IT!!!!!

Heather,

Hey Heather,

It's been fun having you in Drivers Ed. You helped brighten the class a little or maybe a lot but anyways it is and was good knowing you and I hope you have a real good summer. see you at the beach

Love Tony

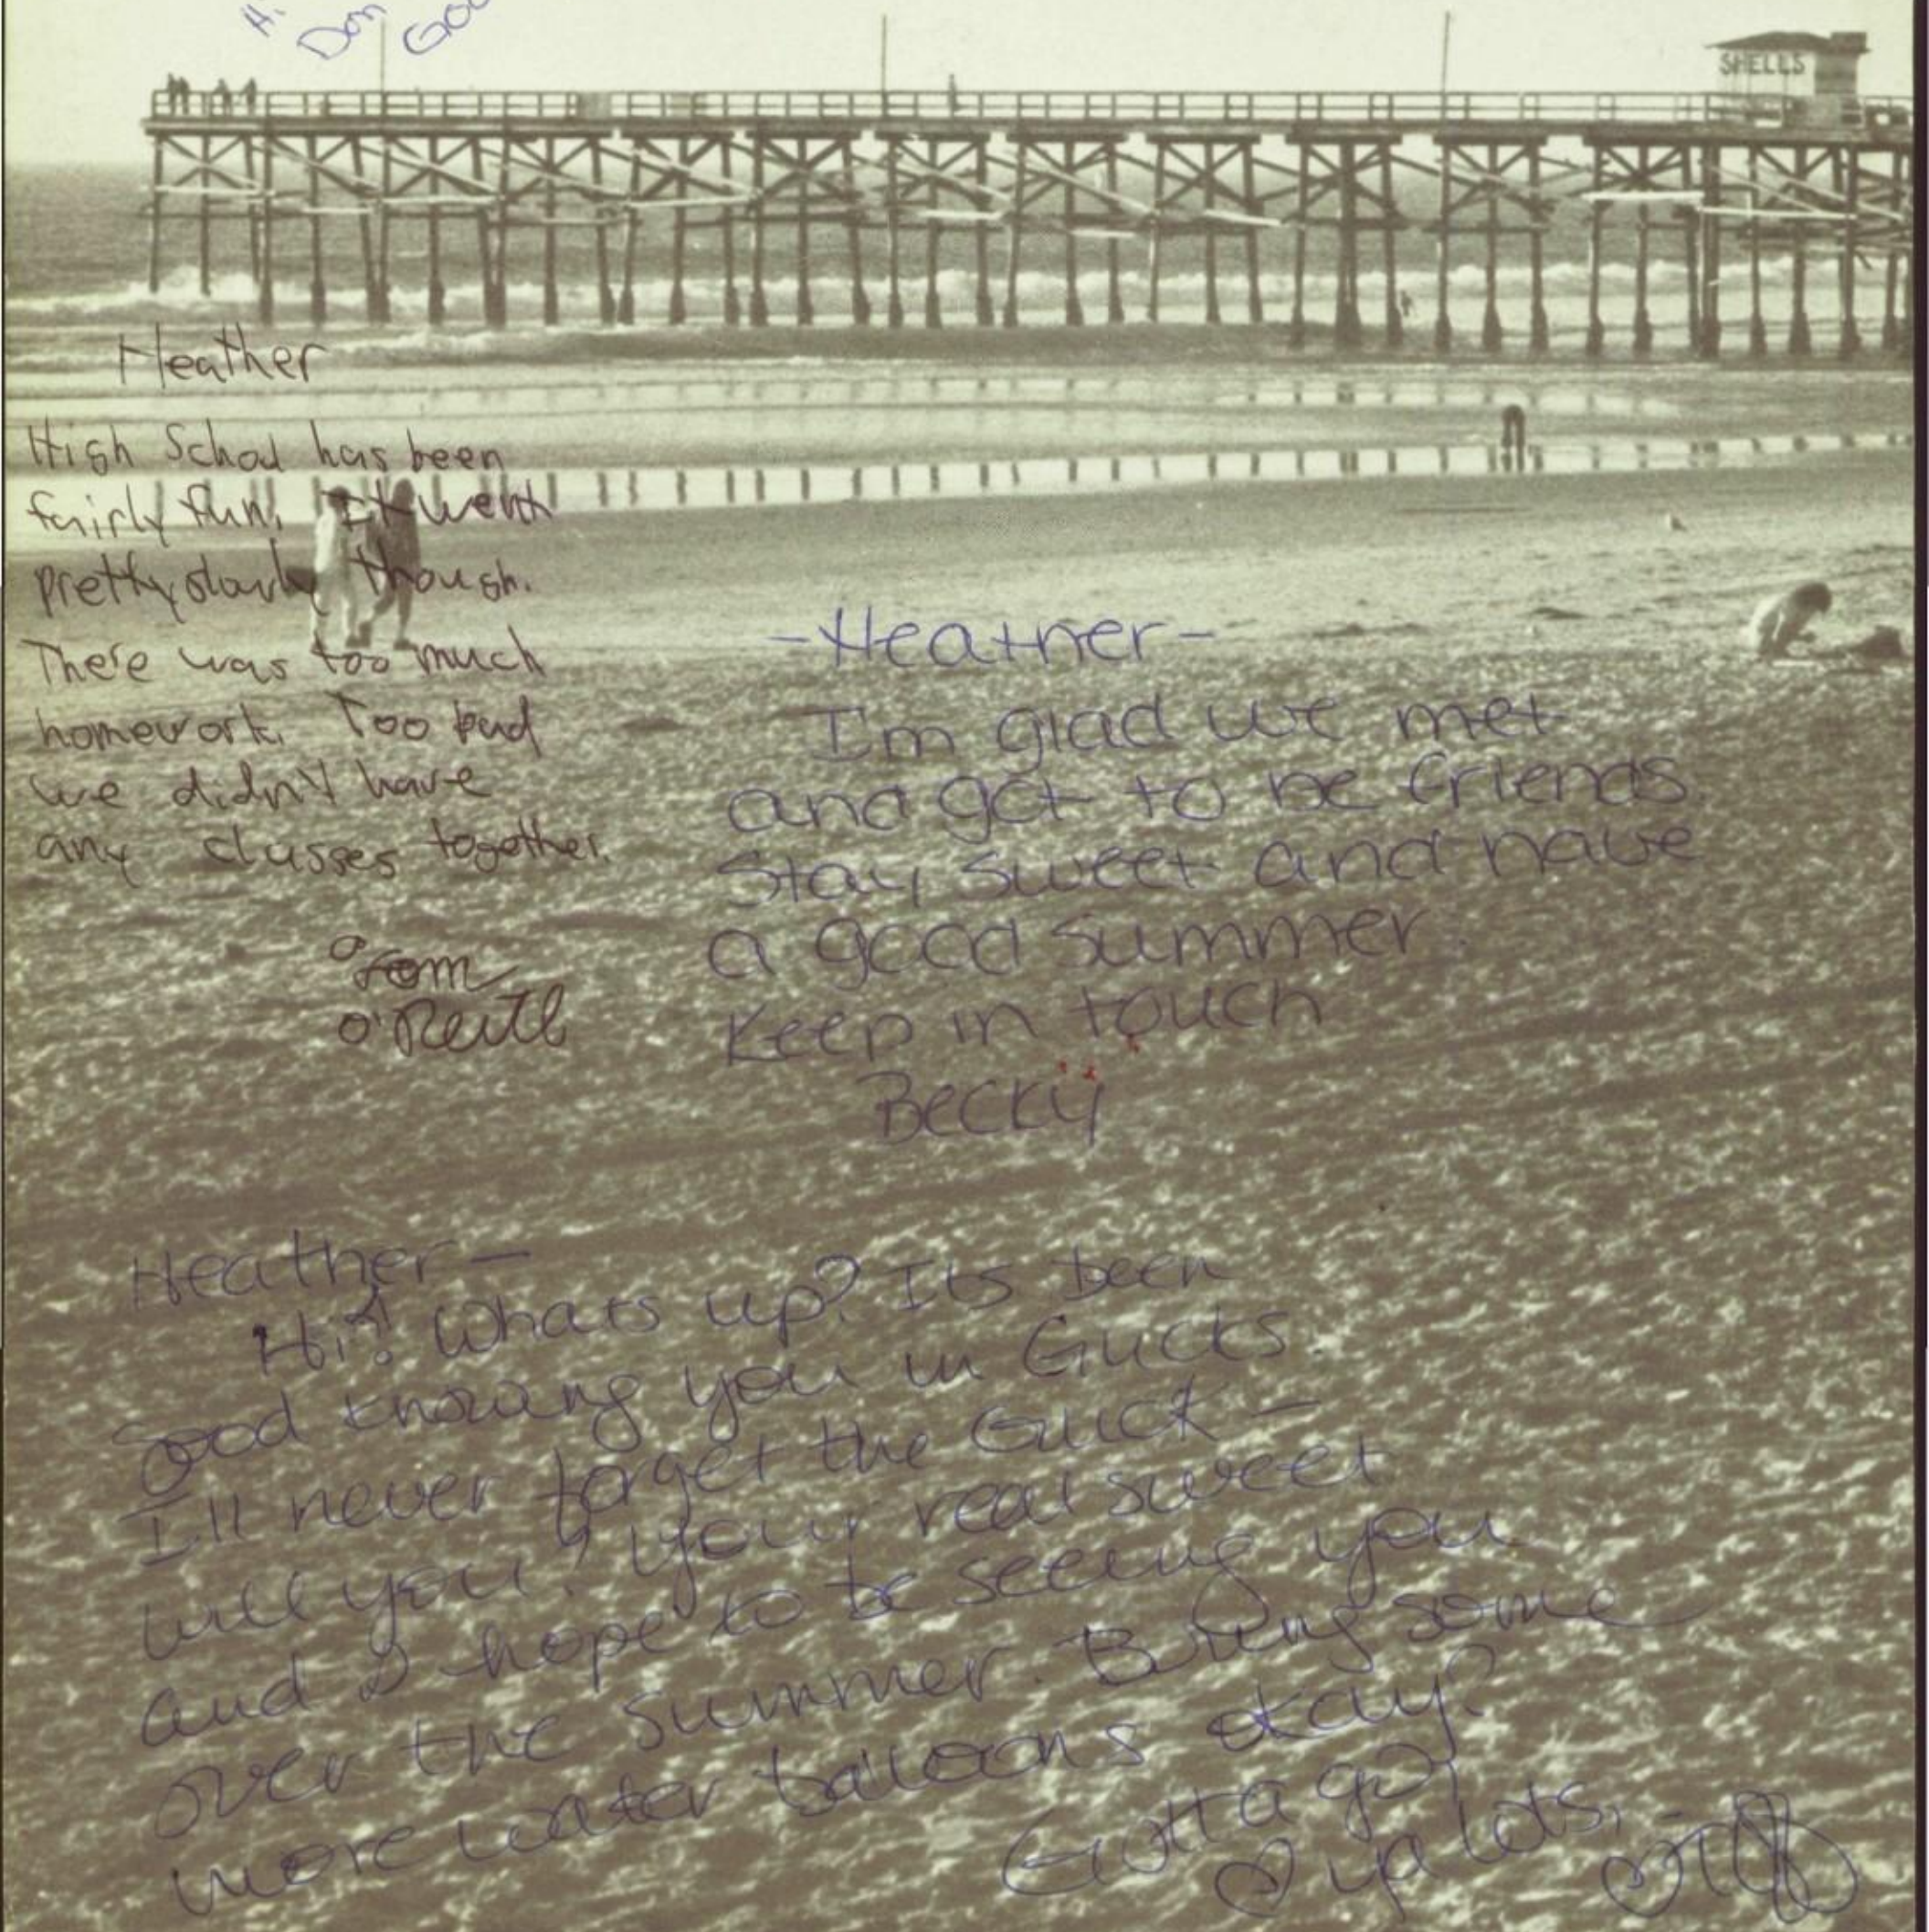
Hey, Heather,

I think your letters are great. It has been nice knowing you even though it ~~has~~ has been for a short time. Have a great fun summer

Luv, Rodolfo.

Hi Heather
Don't fall in!
Good Luck with
Life. Love Always
COOKIE

Yuck!



Heather

High Schod has been fairly fun. It went pretty slowly though. There was too much homework. Too bad we didn't have any classes together.

- Heather - Hi! It's been great knowing you. It required a great deal of effort on your part to become a good friend.

Heather

This school has been strange because of your letters and a few other things I want mention. At least I'll have some thing to remember this year by. Sorry if this is short but I can not think of anything to write, I'll all wrote out. Take Care
